Meet our Administration

The following administrators from our district's Special Education Department will introduce themselves, tell us a little bit about their roles and responsibilities, and outline the network of support for special education children and families:

Dr. Grossane, Superintendent of Schools

Ms. Mona Tobin, Assistant Superintendent for Pupil Personnel Services

Ms. Hrvatin, Administrator for Guidance and Related Student Services

Dr. Clark, Administrator for Special Education (K-5)

Mrs. McAndrew-Mitchell, Assistant Administrator of Special Education (6-8)

Mr. Prahl, Assistant Administrator for Special Education (9-12)

Long Island Parent Center presents: Effective Communication Between Educators and Families is the Key to Success

This workshop focuses on strategies for families, educators, and administrators interested in working together. The importance of incorporating both parent and school perspectives in the process of effective decision making will be discussed.
