Hi Andy!

When does the pc see the revised sign and lighting ordinance in its entirety? Not just the synopsis of DRB discussion. While your transcription of what occurred at DRB including my comments, was good, it hardly covers all the relevant issues for these two impt ordinances, imo.

Nice the photo of different color temps.  
Disagree on the light trespass issue, maybe not neighborhoods but for commercial development when with new lighting types can achieve 0 footcandles.

Public should be happy about rv parking standards. Sure changes complexion of neighborhood character though.

See you tonight.

Thx,  
Cecilia
