

## ANDERSON SPECIFICS—

### BETHANN ANDERSON

#### HIGH SCHOOL WORLD GEOGRAPHY & COLLEGE PREP COMPUTER LAB

**Time: 4th Period, 1:30pm- 3pm**

This is a 2-credit course for students in high school. This course prepares students for college by exposing them to the different computer programs commonly used while at college as well as a well-rounded knowledge of world geography. We use the Bob Jones Geography book in this class; however, I supply the books. Students will learn several different programs such as Excel, Publisher, PowerPoint, and Word in addition to map reading and culture study. While there is not a computer book required for this course, we will be using curriculum in class, and there will be homework that will require access to a computer. If students do not have access to the above programs, they may need to use a public library for some of their homework.

Having access to a laptop for class is optimum, but not necessary; however, if they do not have a laptop, they will have to share one of the computers I have in class with other students. Since this is a lab class, we will do much of our work in class. However, there will be work students need to complete at home during the week. Please consider this when signing up for this class. We will use the computer skills learned throughout the year in presenting the geography knowledge gained through this course.

This class qualifies for 2 high school credit hours, so take advantage of a two-for-one class while space permits.

**Phone:** (210) 399-5950

My class tuition is \$60 per month per student if you are paying monthly. Family discounts may apply. There is also a nice discount if you pay for the first semester at registration and the entire second semester in January. A discount also applies if you pay for the whole year in August. See the chart below for the discounted amounts.

The class supply/admin fee is \$75 per student for students registering in May of 2017 to cover additional handouts that will be distributed throughout the year as well as hands-on project materials. The supply/admin fee of \$75 is not refundable. For students registering after May of 2017, the class supply/admin. fee is \$100 and is also not refundable.

It is not necessary to purchase a book. I will provide the book for the year, and students will be required to return the book by Friday May 18, 2018, to avoid a "lost book fee" of \$50.

#### Tuition Discounts:

Basically, paying the semester or yearly fee gives you one month free.

#### MONTHLY PAYMENTS (9 TIMES)

1 student/class \$60 each month  
2 students/classes \$110 each month  
3 students/classes \$165 each month

#### SEMESTER PAYMENTS (2 TIMES)

1 student/class \$240 (Aug. & Jan.)  
2 students/classes \$440 (Aug. & Jan.)  
3 students/classes \$660 (Aug. & Jan.)

#### 1 YEARLY PAYMENT (PAY ONLY 1 TIME)

1 student/class \$480 (Aug.)  
2 students/classes \$880 (Aug.)  
3 students/classes \$1320 (Aug.)
