- (2) The name of Claimant and a description of the basis for the amount of the Claim;
- (3) A concise statement setting forth the reasons why the Claim should not be disallowed or modified as set forth in the Plan of Distribution and/or why another distribution method would be more equitable for all Claimants;

If no objection is received, the Court may enter an Order allowing or disallowing the claims as set forth in the Plan of Distribution. Should a claimant make an objection to the Plan of Distribution, the claimant must be present to defend the claim on the hearing date set by the Court to hear such objections; or
