- 4- The applicant shall be financially responsible during construction for any damage by the applicant, his servants, his suppliers, agents or contractors, to any public or private property.
- 5- The applicant shall prevent excess soil or debris from being spilled on public streets and lanes; and shall not place soil or any other material on adjacent properties without permission in writing from adjacent property owners.
- 6- The improvements take place in accordance with the sketch submitted as part of the permit application.**
- 7- Access construction and location shall be to the satisfaction of the Public Works Supervisor for the Summer Village of Silver Sands. Please contact the Public Works Supervisor or his designate through the Municipal Office at (587) 873-5765 prior to undertaking any works upon the municipal roadway.**
- 8- All improvements shall be completed within twelve (12) months of the effective date of the permit.
- 9- The site and improvements thereon shall be maintained in a clean and tidy condition during construction, free from rubbish and debris. Receptacles for the purpose of disposing of rubbish and debris shall be provided to prevent scatter of debris and rubbish.
- 10- No person shall keep or permit to be kept in any part of a yard any excavation, storage or piling of materials required during the construction stage unless all necessary safety measures are undertaken. The owner of such materials or excavation must assume full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction.
- 11- Applicant is responsible for grading the site of the proposed development to ensure that surface runoff water does not discharge from the site to an adjacent property.
