

Hey everybody, my name is Megan and I am the newest full time member in the toddler classroom. I have always wanted to work with children, ever since I can remember and nothing makes me happier than seeing a smile on all your children's faces. I just graduated from my 3 year program at Sheridan College as a Child and Youth Care Practitioner and can't wait to start putting all of my knowledge from schooling and experience into working with your children!

In my spare time, I enjoy watching movies, reading books, and cooking new dishes.

I am beyond excited to further get to know everybody, and to have got the chance to get this job!

See you all around!
