

Spoken Word is the Original Seed # 8

Book 2

'Christ the Seed Coming'
Bro. Lee Vayle - June 23, 1993

We pray: Heavenly Father, we realize that at the time of the birth of Jesus Christ there was no great welcoming committee when His birth was announced. You know, the angels came but people never came, and then when the wise men came to announce Who was already here, again there was no great committee. The people were not stirred, except the enemy, to anger to attempt to destroy. And we realize that's the same today. That You've come on the scene; You were here. Not only appearing in signs and wonders-which we appreciate-but You, Yourself, here in a Pillar of Fire with Your picture taken, and above all, above even that, although we know That is wonderful, but the great thing is giving the restored Word, whereby we, through revelation, may qualify in the realms of righteousness as Your Seed, and proceed, Lord, into the Millennium and down through the ages, of which we are barely aware, but know, Lord, how marvellous they are, and they shall be even greater.

We appreciate that, Lord, and we just pray You'll direct us in our thinking, our meditation, from the Word that we read tonight And we give You praise in Jesus' name. Amen. You may be seated.

1. Now we're on to number eight, I do believe, on "Spoken Word Is Original Seed," the second message of Bro.Branham's. Now, in our last discussion of this message, on June 16, we found Bro.Branham setting forth emphatically, and with detailed illustrations, how that the church, the wife of Jehovah, played the harlot, as did Eve originally, which, when Eve did such a thing, it forever set the pattern of how the church would fall away into idolatry and away from God, yet, all the while claiming a correct and proper and even a righteous relationship with her head. As in the case and example of Eve, originally falling by leaving the Word, so did and so does the church, even to this very day. Bro.Branham specifically speaks of Israel leaving God at the time of Samuel Then he speaks of the first New Testament church, as Jesus' Bride, who went into idolatry at Nicaea before her Head could get to her and bring forth Christ again in flesh. And at this point Bro.Branham tells of Hosea, chapter two, where Jehovah speaks against His whoring wife, and likens that unto the wife of Jesus. That's on page 23, but, before we read 23, we should read the last sentence in the bottom of page 22, and then we could read Chapter 2 of Hosea.
2. Now, before we do any of this, we might ask ourselves the question, "What is this all about?" Well, actually, Bro.Branham is bringing us the understanding of why the church has always fallen and remains in the fallen condition and finally ends up in the Book of Revelation, chapter 3:14 to about 23, where the church is wretched, miserable, blind, and naked and doesn't even know it, with Christ entirely outside of the church, the church ignorant of that particular position that He's placed Himself in, to call a Bride out from the church. This all goes back to Eve.
3. Now this is what you're getting your major premise there. This is an analogy, if you want to call it that. This analogy of Eve translates into Christ, the Seed, coming in flesh. Now Bro.Branham said, "Before Adam could get to her, the serpent had. And had she been true to the provisions that

God made for them and lived according to truth and not left the truth, the Seed that she should have brought forth, would have brought forth was Christ.” And we traced some of that in the Bible and showed you that only one could have actually fulfilled the promise of God and the commandment of God, which would be to rule and reign and subjugate, would have been Christ because, you see what you have to do is realize that the Bible is a mysterious Book. Its a Book in types and shadows. And Bro.Branham said, “Its almost like a jigsaw puzzle.” Its hard to put together.

4. But he taught us the precept of Alpha and Omega. And, if you really want to know what Genesis is all about, you have to go right back to Revelation to see its fulfilment, because when God set order into nature, He never said that the cats would have pups, and dogs would have kittens, or that an elephant would produce rhinoceros, or you could plant wheat and get oats, or you could, you know. You can't change it. Continuity of God, which is irrevocable, is set forth in nature. And anytime you mess with anything, you produce a hybrid, which is dead. It will peter out, and in most cases, almost instantly. And when you hybridise something, you always lose something. There's no two ways about it You lose something of the particular genetic order, the particular specie when you get a combination. Now Mendel's law proved, I think, very, very, what you might call, pertinentlly, he gave it the proof that when you get the inferior or you get the sub-dominate, it or the better features, invariably it goes downhill.

5. This is the same as you see in the human race. There's no doubt at all that the human race intermingled with the beast race, because at the end, the Bible says, they're natural brute beasts made to be taken and destroyed. And you cannot put that in the first chapter of Genesis and make it stick. It won't fly, because Genesis absolutely tells you that they are going to be reigning and ruling, dominating-literally domineering, if necessary-Seed.

So don't forget that as you keep hearing Bro.Branham say that the wife of Adam, the wife of Jehovah, the wife of Jesus-he called them Bride-literally became prostitutes-which they did, because you'll notice it is in this particular case, and in all through the Scripture, that even as a bastard child is only a bastard child on the grounds of the mother. It, what happens is that the mother does not belong to Israel. That's where you get your first understanding in the Bible. Israel was called of God, to be a people after the flesh and produce God's chosen people. And when a male would take a female of another order, that produced a bastard child.

6. Now let's get the picture: you think for one minute that God would have let-after Baal-peor, which was an orgy, and its dedicated to the primary female reproductive organ. All right: This was then definitely an orgy, sexual orgy. Now, get the picture: 23,000 fell in one day and the plague was only stopped by Phinehas plunging a spear through a Midionite woman and a Hebrew.

Now the point is this, I want you to understand this: could those women been pregnant with bastards and gone into the Promised Land to bring forth a bunch of bastards to take over Canaan land? The answer is, “No.” Then how are you going to have a bunch of bastards go to the Millennium? You understand what I'm saying? You simply cannot have hybrids. The strain has to be true, and at the end time, they're natural, brute beasts. In other words, nature has produced nothing but brute beasts. In other words, you have a complete kingdom of serpent seed at the end time, coming through the human race. So what does God do? He kills them all.

7. Now let's just look at Scripture again before we start reading. I want to show you something here in the Book of Genesis, the first chapter. Now I read this to you many times, and this keeps coming back to me, because I don't say I got it right. I don't say I've got it perfect, but I know when I teach, I hit at something, I start to see something. When I start to see something, there's no doubt

that in my seeing, I know something is there, but I'm not saying I'm getting it perfect. After enough time, it is quite possible that I get it all lined up and very perfect according to the Word and what Bro.Branham taught.

Now you know positively Bro.Branham taught where serpent seed came from. It was the beast in the Garden that copulated with Eve and brought forth Cain. Now this is in the Talmud, and the Jews believed this. And you can prove this by the eighth chapter of the Book of John: "We be not born of fornication."

Now, why did they say that? So you see, they knew what He was saying. Now: in the 26th verse of Genesis 1: "God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, over the fowl of the air, and over the cattle and over all the earth, and over every creeping thing that creepeth upon the earth."

8. Now that's what God said. Now this is before the saying produced the manifestation of the saying. In other words, this is cogitation. This is meditation. This is speaking of a blueprint. Now notice: "So God created man, in the image of God created he him."

Now this is what you are looking at. You're looking at verse 26, and you're looking at the first part of verse 27. Now that's the complete initial. Now notice the second You're into a second phase now, and the second phase is "male and female created he them." Number one, "the man in the image." Now the 'man in the image of God' has to be Jesus Christ as the only true image of God.

9. Now Jesus Christ was not a creation. He was a birth. So what you're looking at here then has to be positively: "Then God said, et us make man in Our image, and after His Own image made He Him." Then you're looking at God looking at the Son and the Son looking down at all of these here, of which He is the First-begotten. Now this is my understanding. Bro.Branham didn't say this. I am saying this. So let's not get all confused. Just trying to show you something as I see things.

Now, the next thing is that it says, "Male and female created he them." All right: Look it: in His Own image He created the One. Now you're looking at something else: a male and a female. And, as Bro.Branham said, "This is for the purpose of propagation or procreation" And he said that God gave this man. Now I look at here. What you're looking at then, in my books, you can call it analogy, illustration. Call it what you want. All right: Male and female for propagation to bring forth in the image of Him.

10. Now, you say, "Where do you get it from?" I want to ask you a question, "Where do I not get it from?" I am looking at Omega: "Beloved, now are we the sons of God, and it hath not yet appeared what it shall be but we know that when he shall appear, we shall be like him for we shall see him as he is."

See? Now people Bro.Branham said, "The image of God was broken and was broken right here." There was a space there, as I see this. And I look at this, and I see this as vulnerable. There's a great vulnerability here, and the vulnerability is in the fact that Eve, although right here with him-when she's taken from Adam's body, and this which is given for procreation is put in a different body-and she defiles herself.

We're going to be in the image of Christ, in His very likeness and His very Body. And don't think: we're not. Now let's just...Let's read It again: "And God said, Let us make man in our image,

after our likeness: and let them have dominion over the fish of the sea, over the fowl of the air, over the cattle, over all the earth, and every creeping thing that creepeth upon the earth.”

11. Now look at verse 28: “And God blessed them, and said unto them.” Now she...They’re still this dual creature in the one repository-male and female. They’re spirit “...and said, multiply, and replenish the earth, and subdue it”

Now notice in here the terminology actually changes. Now back here It says, “Have dominion over the fish of the sea.” There’s a dominion there. Now over here It speaks of “subduing and having dominion.” There’s a repetition. Now the word ‘subdue’ means to conquer. “After your own kind.” Then... Now you’re looking in here, and you’re ‘conquering.’ Now that’s strange, because there’s nothing at that time to conquer. Or is there? Is there anything there that requires a subjugation? Bro.Branham did mention that how they were in the Garden: they just said, “Tree, move,” and this and that. There was nothing out of symmetry. Nothing out of balance. No crooked limbs, and no this and no that. Well, that’s all right by me. I can buy that, if he said so.

20. But I am looking at these words here with another thought entirely, well, not entirely, but I am looking along the same line. And It says here now, “Subdue and have dominion,” and It’s “over the fish of the sea, the fowl of the air, and every living thing that moveth upon the earth.” Now what do we find over here? He said over here “over the cattle, over all the earth, and over every creeping thing that creeps upon the earth.” They sound very much alike, but they are not very much alike, in the sense of being perfectly alike, because they’re not.

So what am I looking at here? The word ‘dominion’ here, in this case, means ‘to subjugate,’ and actually ‘to cause to crumble.’ ‘Conquer’ means, also, ‘subjugate’ and, also, ‘to trample.’

12. Now, let’s go back to the Book of Ezekiel, chapter 28. It says in verse 11,

- (11) Moreover the word of the Lord came unto me, saying,
- (12) Son of man, take up a lamentation against the king of Tyre, and say unto him, Thus saith the Lord God, Thou sealest up the sum, full of wisdom, and perfect in beauty.
- (13) Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, the topaz, the diamond, [the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold:]

You notice that this fellow here, Satan, who led in the worship, has this ephod on, which is erroneous. This is not the true ephod...the true breastplate. Some of the stones are wrong. And it says:

- (13) [And] of the workmanship of thy tabrets and thy pipes was prepared in the day that thou wast created.
- (14) They are the anointed cherub that covereth; I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.
- (15) Thou wast perfect in thy ways from the day that thou wast created, till iniquity

was found in thee.

13. Now, look here, what I want you to get what I am looking at is this: that Satan was already there in the Garden of Eden and the subjugation of him and everything that pertained to him - because he's the despoiler, he's the one that rose up against God, the one that wants worship and everything else. He's the one - and whatever we had and whatever he was doing with what he had - was given over to Adam and Eve. Now let's notice again here, when it said, "Let us make man in our own image, after our likeness, and let them have dominion," you'll see the thought of the multiplication in there. But it's only in verse 28 when we see an actual multiplication, when, by the physical...the male and the female...that He said, "Be fruitful, and multiply," and it's passed on now to where there is a subjugation and a dominion handed over to them.

Now the point is this: what is there to subjugate and subdue if nothing needs subjugating and subduing because the whole thing is in harmony? Well, the whole thing was not in harmony, because Satan was already there. Now, what was given literally to perform this was the Seed. Now, we're going to show you why, because had they been sufficient of themselves, this would have been done. But the sufficiency was not of themselves. The sufficiency only lay in the Seed coming.

14. Now let's go to the Book of Colossians, and you'll see it the 2nd chapter, in verse; well; You could read a lot, but look at the Seed in verse 9:

- (9) For in him dwelleth all the fullness of the Godhead bodily.
- (10) And you are complete in him, which is the head of all principality and power:
- (11) In whom also you are circumcised with the circumcision made without bands, in putting off the body of the sins of the flesh by the circumcision of Christ:
- (12) Buried with him in baptism, wherein ye are also risen with him through the faith of the operation of God, who hath raised him from the dead.(13) And you, being dead in your sins and the uncircumcision of your flesh, hath he quickened together with him, having forgiven you all trespasses;
- (14) Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross; (15) And having spoiled principalities and powers (subjugating and having dominion, and crushing and crumbling), he made a show of them openly, triumphing over them in it.
- (16) Let no man therefore judge you in meat, or in drink, or in respect of a holy day, or of a new moon, or a Sabbath:
- (17) Which are a shadow of things to come; but the body is of Christ.
- (18) Let no man beguile you of your reward in a voluntary humility and worshipping of angels, intruding into those things which you have not seen, vainly puffed up by his fleshly mind (That's where Eve was, and Adam went right in line.)

- (19) And not holding the Head, from which all the...which all the body by joints and bands having nourishment ministered, and knit together, increaseth with the increase of God.

15. Now what you're looking at here is the Seed that should have been produced to be the Head of the whole human race. And you'll notice that we called Adam the federal head of the human race, and Christ is the federal Head of the Bride. You have two heads in there. And the Head that should have been produced was not produced, because only through Him could this have taken place. And the promise-command which was given at that time has been extant through 6,000 years waiting for its fulfilment. You see what I'm talking about? You simply can't have this Word and It not be fulfilled. Otherwise you can plant oats and get barley. And so you can know the price of wheat is going to be five dollars this fall and you plant wheat, but, lo and behold, you gets oats; and its worth two bits a bushel Wouldn't that be great? You see what I'm saying? There is no way- absolutely no way- that you can fool with the Word of God. That's why Bro.Branham tells us, and he said, *"Now, look, I'm telling you this and showing you why I've stood for what I've stood. by the works that I've done and no man believed the works--that they were of God."*

"Oh, he's just a big-mouth! Hrump - hrump-yeah-yeah..." (Bro.Vayle makes derisory sounds.) "Oh, nice guy, but he shot his face off"

16. Why do you think they fought Isaiah? Because he shot his face off! He was vindicated to shoot his face off. When he shot it off, they shot him. You know, people once sat here, and they didn't get what I'm saying. How many tonight get what I'm saying? Would you swear before...not swear...but would you say, with your Bible open and your band raised toward heaven, that you...before God, that you really know what I'm trying to tell you? Or have you got another thought coming? Well, "You're so smart. You'll know later on." Don't give me that stuff and try to run me. You'll have a fight like you never had in [your] life. I am ready to die. I have got nothing to lose.

What fro telling you tonight: this Life will allow you to be boiled in oil if you need to be boiled in oil. You can be crucified this is why they killed Paul, and killed James and John. He could be boiled, but they couldn't kill him, crucified Peter upside down. Change it, and see what happens to you. Farmers and engineers, so smart, don't talk to me. You don't fool with the Word of God. And the more you believe the prophet, the more you'll see every single thing in here. This was that Seed. You know why its proven? Because, that's the Omega!

17. Let me read you some more-Revelation 19:

- (1) After these things I heard a great voice in heaven, saying, Hallelujah; Salvation, glory and honour, and power, unto the Lord our God:
- (2) For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and avenged the blood of his servants at her hand.
- (3) And again they said, Hallelujah. And her smoke rose up forever and ever.
- (4) And the four and twenty elders and the four beasts fell down and worshipped God that sat on the throne, saying, Amen; Hallelujah.

- (5) And a voice came out of the throne, saying, Praise our God, all ye servants, you that fear him, both small and great.
- (6) And I heard as it were the voice of a great multitude, and as of many waters. (That's a testimony: the testimony of Paul.) And as the voice of the mighty thunderings.

Where did the thunders come from? Revelation.) Hallelujah: for the Lord God omnipotent reigneth.

- (7) Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready.
- (8) And to her it was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of the saints. (See? She's washed her robes according to Revelation 22 when the Seals were opened.)
- (9) And he said, "Write, Blessed are these things...Blessed are they which are called to the marriage supper of the Lamb. (That's our day right now.) These are the true sayings of God. (And how you going to prove that except by "Thus Saith the Lord")
- (10) And I fell at his feet to worship him. And he said, See you do it not: I am thy fellow-servant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.
- (11) And I saw the heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth make war...judge and made war.
- (12) And his eyes were...(Now notice He judges before He makes war. It's already judged) His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, no man knew, but he himself.
- (13) He was clothed with a vesture dipped in blood: and his name is called The Word of God. (In other words, if He doesn't give you the revelation, you aren't going to get it. See?)
- (14) And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.
- (15) Out of his mouth goes a sharp sword, that he should smite the nations: and he should rule them with a rod of iron. (How's He going to do it? Going to)...tread the winepress of the fierceness of Almighty God (and break them in shivers).
- (16) And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.

There's your picture from Genesis. There's your fulfilment. Now, are you going to tell me

there's a seed in there all the time that wasn't this Seed? That, that verse referred to somebody else and got fulfilled in him? I've got news for you. There's no way you can twist the Word of God, and oats will become wheat, and a sheep will become a pig! Can't do it. So, All right: Bro. Branham is telling you here all along: Eve blew it! Eve did not produce that Seed, and she couldn't do it on the grounds that she wasn't with her husband She got somebody else. And you go right through, you'll see him talking about Mary or talking about this age.

18. Now, I want Branham categorically said it, and he just laid it out flat as a tin pan. He said, *"When God's son and daughter sinned in the Garden of Eden. He did not send an archangel, He didn't even send His Son; He, Himself, came down...so today."* So what's going on? The same Thing: Subjugating is going on now. Now the subjugating is to the end that the Son's Feet will tread upon everything. And already, the Stone without hands is already set; the Stone made without hands that comes from the high mountain. It's the feet of clay, and of iron-the end of the Roman Empire. That's the Holy Roman Empire now: Then destroys it. It's already like the Bible says right here...It's already going on. Now the Stone hasn't come down to destroy it all, but the judging has already taken place; the separation.

19. Now, remember, He's looking for His Wife. This is why the foolish virgin are ground down, also, but they are dead before the Stone hits it. They're killed They're hunted down and destroyed But the Bride is taken out of here.

Now the thing is this: can the Church produce it? The answer is: the Bride cannot do it. They never did do it. So who's going to do it? It's going to take God Himself to do it. The Church can't produce it, but it's got to be produced. Christ must come back in human flesh. He's got to come down upon this earth. That's what he's telling you. And the Church cannot do it, because it's in whoredoms. But there's got to be a Seed that does it. Now, remember, the original Seed could have done it, because it's right there. Now, you want to go back to Genesis again? Okay, let's look at It again. God said, "Let's make man in our image, after our likeness." Now, you get a multiplication. "let them have dominion over the fish of the sea."

Now they blew it. When does it start to come back? It starts to come back in Revelation 19. the Bride, her Head, the One she's married to, the Son; comes back to take over. Okay. So God created man in His Own image. And what is that image going to do? It's going to do every single thing that this is doing here-says to be done. A man of himself can't do it. It was completely blown. She never did produce it. Now, can the church today produce and bring forth the Son, manifested in flesh? Absolutely not it cannot be done; and they'll never do it. But Bro. Branham, notice, said, "God will have a Bride, and that Bride will be the spotless, virtuous Bride of the Lord Jesus Christ, all clean within and without and that will bring back the Son of Man upon earth; Son of God. So Bro. Branham tells that when That Spirit in our midst becomes incarnate to us, we'll crown Him King of kings that will be the Son of man, Son of God, Son of David, and every single thing.

20. So what we're looking at here then is what Bro. Branham has taught us. And notice again in verse 29. [Genesis 1:]

- (29) Behold I have given to you every herb bearing seed, which is upon the face of the earth, and every tree, in which is the fruit of the tree yielding seed.

And He tells you right there: the continuity in nature will prove to you Who I am, and you, seeing it you will be the ones that know Who I am. Right in there. If you cannot see God in nature

in the continuity and understand hybridisation, you are not in the Bride period. You are missing what's given to you. So how you going to say you're Bride? I am not fussing I'm just asking you a question. I am not here to fuss at anybody. You do what you want I am going to do what I want. So we'll just look at the picture and see it all the more clearly, what Bro. Branham is saying. And you know why we see It? Because we believe It We don't ask questions. We believe It.

"And a man can receive nothing except it be given him from above," and "Unto him that bath shall be given; him that bath not you take even...taken away that which he hath." "Rich and increased in goods and don't lack a thing." "Come in that day and say, 'Lord, haven't we cast out devils, done mighty works, been in the gift age?'" "I never knew you."

21. The gift age is not today. It's the Word age today. What Latter Rain people call the latter rain is not the latter rain. It was only apart of it in the sense that it was an introduction and a manifestation of power. Bro. Branham said, "*We have seen the Word manifested in power but not in revelation.*" But he left the scene. Before he left, he said, "*Everything was given under the Seven Seals to put you into a Rapture.*" Well, if you get in the Rapture, that's it. [Then you go back and reign and role.]

Now, with what I've said, you can begin to see why it is, even in the Millennium, there's further sanctification. Notice they were separated back here, and they didn't come to it. She blew it. But there will be a Church, there'll be a Bride--and Bro. Branham speaks of this: the womb of the mind and all these things-that'll actually bring back Christ in human flesh and it's going to come just before the burning of Sodom. The Promised Son in Flesh will come. That's when the promise is given just before the burning. It's at the end of the time of the burning that He comes down, takes over the earth, and the Bride is with Him.

22. So these things may be a bit obscure in places, but they're not all that obscure. You just believe what is said Don't ask a lot of questions. Just believe it, and you'll see the Scripture begin to line up. See? And then He says:

(30) To every beast of the earth, and fowl of the air, and everything that creepeth upon the earth, wherein there is life, I've given every green herb for meat: and it was so.

(31) And God saw everything was good, and, behold, it was very good.

Now if it was not only good but very good, why does man try to change it? You think for one minute that strawberries are going to be better, because they take the formaldehyde, the gene of the ant-whatever they do, so the strawberries don't get frost-bit? I can tell you right now, you'll pay a price for it. Now, you know who the people are that talk this way are not the people in the church, except goofies like us. You know who's against it? The health nuts! The cults! They got more brains than the church. In fact the health nuts. They don't care two bits about the church. You know who their god is? Nature! And so then, you know who their god is, from nature? Their belly! Their glory is their shame. They've been exposed. The whole church has been exposed, and they glory about it. They laugh! They laugh at Bro. Branham. Titter-titter. Well, okay.

23. Let's read the last sentence down here (page 84, paragraph 4):

[84-4] *Didn't God speak over there in the Songs of Solomon...No it was Hosea...and tell about his wife was nothing but a prostitute and sitting with herself all open all the time and took every lover that came by? I'm talking plain, but that's what the Bible said. Every man that*

wanted to run with her, could run with her. That's the same thing the Bride of Christ has done--opened up Herself to every old, ditty, filthy [dogma and] habit of every organization She ever had. Doing the same thing.

Now what he's saying right there: that Satan came in and fooled those that were original in the sense that they were in that original, first church, but already they were there in there that wanted a Bride to fall. Now remember, whatever Word the Bride is given for that hour, she believes It. But at the end time, the full measure...never before has Perfection come. So,

24. All right: Let's go ahead and read in Hosea. I guess that's what we're going to look for. It's the 2nd chapter:

- (1) Say unto your brethren, Ammi; and to your sisters, Ruhamah.
- (2) Plead with your mother, plead: for she is not my wife, neither am I her husband: let her therefore put away her whoredoms out of her sight, and her adulteries from between her breasts;
- (3) Lest I strip her naked, and set her as in the day she was born, and make her as a wilderness, and set her in a dry land, and slay her with thirst.
- (4) And will not have mercy upon her children; for they be children of whoredoms.
- (5) For their mother hath played the harlot: she hath conceived...she that conceived them hath done shamefully: for she said, I will go after my lovers, that give me bread and my water, and my wool and my flax, my oil and my drink.

Now, listen, if you can't take that to the Book of Revelation and see the Roman Catholic Church-commercial-world system, you're missing everything. These words are mentioned in Revelation-they're controlling it all, because, you see, she controls the gold and the Jews control the paper. And, lets face it, the paper is running the machinery! But the bottom's going to drop out so the gold's going to take over. But the machinery, having been run by paper, is set up for the world system. And who is it, the first man who talked of a world system? Gillette, the Jew.

25. People think I'm a Jew baiter. I'm not But I can tell you one thing: the whole world bates the Jews because of the Name of Jesus Christ. Because, they crucified Him, the Jews want to say the Romans did, the Romans didn't. Paul said they both crucified and killed our Lord, Jesus Christ-the Jews. And nobody can please them. Read your Bibles. That's the record. And they hated each other.

Right now Rome isn't worth two bits at this point, because the Jews got the paper. They are controlling everything. You think they aren't, I think there's something wrong with your heads. I'm still not a Jew baiter-its just a fact, that's what it is. They're going to have to get together, and they'll split in the middle of the week, which is the three and a half years, because its still the same week. And its the middle of it. And if there weren't three and a half years, only two years, it'd still be called the week, because that's what it is. Its part of the original seven years.

I told you and taught you before that part of a day is a whole day. Apart of an hour is a

whole hour. Apart of a month is a whole month. Say, "I don't believe it." Who cares what you believe? Drop dead. I don't care what you believe. If you want to be stupid, be stupid Be Junior Jackson that fought and argued. Want to be Junior? Go ahead. He hasn't read the right books. I have read the right books. Yeah.. That's all. I don't figure these things out by myself. So three and a half years is a week. One year is a week, because the week is seven solid years...period So, All right: Who gives a rip? I'm not here to teach them.

26. Okay. 6th verse: [Hosea 2:]

- (6) Therefore, behold, I will hedge up thy way with thorns, and make a wall, that she shall not find her paths.
- (7) And she shall follow after her lovers, but she shall not overtake them; and she shall seek them, but shall not find them: then shall she say, I will go and return to my first husband; for then was it better with me than now. (I wonder if Eve thought that, ha!)
- (8) For she did not know that I gave her corn, and wine, and oil, and multiplied her silver and gold, which they prepared for Baal.

What are you thinking right now? Did you hear what I read? "For she did not know that I gave her gifts of the Spirit, and anointings, and stimulations, all these adornments and she went and worshipped Baal." Oh, sounds like Baalim and Balak, doesn't it? Worshippers of Baal. Yeah.

- (9) Therefore will I return, and take away my corn in the time thereof, and my wine in the season thereof, and will recover my wool and my flax given to cover her nakedness. (Naked, miserable, blind, and don't even know it.)
- (10) I will discover her lewdness in the sight of her lovers, and none shall deliver her out of mine hands. (That's already been done. They don't know it.)
- (11) I will cause all her mirth to cease, her feast days, her new moons, her Sabbaths, and all her solemn feasts. (That's really going to happen, that three and a half years. It tells you in the Book of Revelation.)
- (12) And I will destroy her vines and her fig trees, whereof she hath said, These are my rewards that my lovers have given me: and I will make them a forest, and the beasts of the field shall eat them.
- (13) And I will visit upon her the days of Baalim (hm? Baalim...Balak... Baal?) wherein she burned incense to them, and she decked herself with her earrings and her jewels, and went after her lovers, and forgot me, saith the Lord.

You know something? This bunch of dodo's forgot God the minute they came out of Egypt. They should have loved Him. They should have worshipped and praised Him, but they ran to Baal-peor for their sex, their filth, to bring a bunch of bastards into existence-to fill their ranks with illegitimates. "A million more in fifty-four." [End of side 1]

27. But you notice something? There comes a day when God is going to restore. And when He restores, the Bride will be restored at that time. There's only one way to restore, and that's bring Her back to the Word, because that's what she went off on.

Now, let's understand this flat: if you have tuberculosis, its manifested, and that is your problem. You must get rid of your tuberculosis. So, if you have a wrong Word, what's going to happen? You're going to get rid of your wrong Word and if you get rid of your wrong Word, then you're back to the original Word, because there aren't two Words. There's only one Word; one real Word, and that's the Word of God. Satan does not have a word of his own.

28. So All right: You see the picture here, and Bro. Branham nails it down. He said, "That's what it is. She was not true to her husband." The Old Testament Bride was not true to God, and the New Testament Bride was not true to God, because, remember, He's the complete Head. Remember, Christ is head of the Church, but God is head of Christ.

[85-1] *I'm going to be criticized for this. But that's All right: I'm going to be blessed for it too. But that's going to be the Truth. God's Truth, 'cause He wants it said, and here-I'm trying my best to say it. See?*

29. All right we're reading on:

[85-2] *She tried to please her many lovers. Doing so, she hybridized. tried to hybridize with her lovers, the Word of God; so it would not work, so she said, "Denounce that" and made her own Word. That's what happened under Ahab.*

Now, I want you to just listen a little bit and think. Here is a man called David, and he's the great psalmist, the great shepherd-psalmist. He's the great king-prophet, not priest now, but great king-prophet. And he messes up like Hogan's goat with Bathsheba. He has a son who rapes his half-sister. Now the boy should have been killed, but he's the king. "Tut-tut, boys will be boys." What about this bunch out in California, when those guys were scoring with all the girls, and so the father said, "Red-blooded boys!" And the mother said, "Oh, those sluts!" Who brought up those lousy, red-blooded scum and those sluts? Yeah, hybridizing, messed up with her filth. Now that's what you see the church is doing right here. The whole world today is a filthy, rotten mess.

So she said, "Denounce that" and made up her own Word.

That's what the church has done today. It's made up its own Word the same as the world has made up its own morals on the grounds that the church started the whole thing...made her own Word Now she claims to be the Word, herself. All right, go back to that We were talking about David and his mess...he fell from the great man he was. So did the church fall from the great virgin she was. See? She began just little things moving in. Pretty soon she moves away from the Word, and when she moves away from the Word, next you'll see Solomon rise up...after David. Remember, America is like Israel-great men to start with and then a bunch of punks.

30. So All right: We have Solomon to rise up. Now he didn't do as well as David, because he thought if David could have 500 wives, he could have 1,000 concubines or whatever else he had. Now, remember, under Solomon, the Pillar of Fire came down, smoke filled the temple, the priests could not minister because of the tremendous manifestation of the power of God; and he gets up and raises his hand towards heaven, and, my, what a prayer that old boy prays.

How come, then, he starts worshipping the gods of his wives? I told you I wanted you to think, because he that thinketh he standeth let him take heed lest he fall. That's what's wrong with this congregation. Maybe some of you still sitting here tonight. The rest of the birds left, because they couldn't take it, and I wouldn't have them around me. Because don't you know you can fall? Don't you know you can mess up changing one Word? Questioning one precept? I never said, "You don't have a 'think' coming if I say it. I said that if William Branham, by vindication, said it, you don't have a think coming, and neither do I! So don't try to twist everything I say. And if you think you love this Word and hate me, there's something wrong with your head. I don't hate anybody. I just can't stand the crap they're trying to throw at me, and I'm pulling away from it. You do what you want. You're going to do it anyway. I'm not going to stop you, because I can't.

31. Now Solomon messed up! Now that's what happened right there with that man and his ministry and the Pillar of Fire.

"Ho, I got the prophet. I got this. Ho, - I got the tongues. I've had a manifestation."

One lady said, (Oh, you could call her a lady if you want): "Oh, I've had the Presence since I was eleven." That was before 1933. What's she talking about? Or whatever.

Some still have to ask the question, "What's the difference between the Baptizer and the baptism? What's the difference between the hen and the egg? No Baptizer, no baptism. So? You been eating eggs for a week? I'd like to see where they came from. The farmer says, "Hey, biddy-biddy, brown baby, come here," and he puts the hen under Your nose, and he says, "Here's where the eggs came from." And you can't tell Baptizer from baptism? Well, I'm not wasting my time because I enjoy preaching. We got those here that believe with all their hearts, all their minds, all their souls, and all their bodies.

32. Well, I want you to know something, brother/sister: take heed lest you fall. You're so smart. Because, God doesn't have two bits of care for the wise and the prudent. He just has one thing to do with them, and that's to bring it all to nothing and show it all up. And it was shown up today, right there [pointing to the picture of the Pillar of Fire and Bro. Branham], and they still cannot understand It. Well, that's their business.

Solomon...How could he possibly go a-whoring to other gods after what he went through? Now this is what Bro. Branham is talking about. It starts out with the pure Word, and one Word from that time starts a chain reaction until, my goodness me, down the road, what he said started from the gun...a puff of wind throws the bullet a half an inch. It's yards off by the time it should hit the target. Why, it's outside the forest, never mind hitting the deer that's running in the forest.

33. Now, let me read again: So,

[85-2] *She tried to please her many lovers.*

Now who was the first lover of Eve? The beast that changed the Word through Satan. Now, remember, he was already there; and remember, the command was, "You completely subjugate." In other words, the time is coming that you're going to take Satan and every single thing over. But Jesus Himself did it. Right! Now we're still waiting for the whole thing to be taken over [and share in His glory and reign].

Now her lover was off that one Word, so she got off. That just messed everything up to

where it's right today. It's a complete mess.

34. Now what does Bro. Branham say here?

[85-2] *Doing so, she hybridized, tried to hybridize, with her lovers, the Word of God.*

It certainly was done under Ahab. And it was done at Nicaea. "So it would not wont, so she said, "Denounce that" and made her own Word." She said, "Forget it."

Now, the Catholics say, "We wrote the Bible." The Catholics are a bunch of liars. They never wrote that Bible. They tried to mess it up. They changed a few places...didn't do them any good, because It's said in so many places, they couldn't change It all. Then they welcomed all heathenism, and the pope is still doing it, and the bishops and priests are saying, "We shouldn't do it." But popey, old boy, says, "Do it," and is doing it. And so they got to do it. They don't have one iota of the Word! Why? Because It's fully corrupted, and the Protestant-harlots are just the same, because Bro. Branham said. So she said, "Denounce it. There's no more healing. There's not this. The devil heals. It You know what I mean? It's all just a bunch of junk!

Male her own Word. Now she claims to be the Word herself How can she be? She claims it. But don't let Protestants refute Catholics" and all, the kettle calling the pot 'black,' because they do the same in the council of their own churches--whoring. No wonder they are called harlots! That's rough. isn't it? That shucked the skin off your back. but that's what it takes to do to wake you up sometimes.

35. Now, Bro. Branham is telling the people, "You're sitting here and you're just a bunch of harlots. You're the progeny of the harlots. You're hybrid." How you going to prove it otherwise? Get back to the Word.

[85-3] *That's exactly what she did. She left Jesus, the Word-Husband. and like Samuel--they left Samuel and took Saul, left the prophet anointed with the Word and took a King with a sceptre; when she finally would have come to the king. the sceptre, in the Millennium; but now she's rejected [because she rejected Him]. He went to the Gentiles for a Bride. Is that Right! That's the Word. Now, you'll find that in Romans 11. They turned it down.*

[85-4] *Now she left Jesus, the Word-Jesus. the Word. and married another man called the pope with dogma.*

Now, that's interesting, isn't it? They got another Jesus...pope. He says he's a vicar of Christ. Actually, he's got himself a double title right there, because if he thinks he's Jesus to the people on earth, and if he's here instead of Jesus, then he's the Holy Ghost. So here's the pope as the Holy Ghost and Jesus. No wonder he says, "I can forgive sins," and, "Don't talk to me about the Bible. I will tell you what the Word is." And he tells his voodoo artists, "Oh why," he said, "we worship the God of our fathers like you do." And, you know, and so on so forth. "Come on, dance with me, baby." I want to ask you a question, "What does he get out of it?" What do the Hindus get out of smearing their faces with cow dung? Delicate odours? I am interested. What do they get out of it?

36. Now, we're not like the Chinese...when the people said of the Chinese, "Why do you put rice on that fellow's grave? He's not going to come up and eat it" And, you know, the Chinaman said, "He is going to come up and eat that rice just as quick as your dead guy is going to come up and smell the flowers!" Oh, white guys never smelled the flowers. The yellow men never ate the rice.

But it's not that way under vindication! See? Now you're back to the days of Israel having a king and, in spite of the fact of having turned from God, God comes down in His full Glory, fills the temple. And this bird, Solomon, goes into his whoredoms and departs from the Living God, when he knew God.

37. Now, just a minute: Let's go back and read again the Book of Romans. I don't care if I never finish this sermon. I got my own sermon to preach from it. Mine's more interesting than just reading it, because I can comment on all these things here, see? So let's see what we're reading between the lines, and giving you the full picture. Verse 18 of Romans 1:

- (18) For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of the men, who hold back the truth in unrighteousness;
- (19) Because that which may be known of God is manifest in them; for God hath showed it unto them. (Now you're talking about the prophet and the manifestation of it)
- (20) For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse; (Now it says:)
- (21) Because when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.

Now this was already going on, because this guy, Solomon, was marrying all these women for the sake of lust and politics. His marriage was politics to make the kings all around him... took all the heathen daughters to make the kings out there happy. Nicaea-politics and religion-for gain! What happens? It tells you: they don't glorify God. Now: "vain in their reasoning's, the foolish heart is darkened. Profess themselves wise."

38. Oh, we're smart, look how we're bringing them in. A million more in sixty-four and ninety-four. Now they are into idolatry. So God gives them over to uncleanness. If the king can have one thousand concubines, then the ordinary guy on the street can pick up anybody who will sleep with him. Don't figure he can't, because he can. So your stinking ministry lives with women, then don't tell me the person in the pew can't do it. If Jones near Lancaster can have other wives, then anybody in this church could have, but not around me, or I'll kick your butt out of here so fast, have somebody bop you with a four-by-four. Don't try it around here, because I don't have a second wife...and I'm not interested. You say, "Well, you're too old." That's beside the point. I was young once. Didn't want one then. Why should I want one now? Clean is clean. God in a man's soul means something, or it means nothing. Now they got AIDS. Phew!

Listen, this Word the prophet teaches is one hundred percent. Just look around you, and you'll find out. Don't try to argue It Believe It, and see how ifs one hundred percent the Word of God.

[85-4] That's what she did "Now she's got a pope." That's her Jesus. "Now the Protestants hasn't got Jesus; got denominations, same thing...an image unto the beast. Its organization!"

39. Now this little verse here, little thing about Bro. Branham saying they got another Jesus started way back here in 2 Corinthians 11, "If he that cometh preaches another Jesus." So everybody, Catholic person, preaches the pope. The Anglicans don't mind it. They're ready to join. The Lutherans are ready to join. Everybody is ready to join. Let me tell you something: if the pope can take a voodoo artist and say, "Hey, you and I are brothers," you think for one moment they can't get around transubstantiation and everybody take bread with their own thinking-with their own understanding?

And I am going to tell you something. With the pope owning all the gold, and the Catholic church running the show, you better believe the Protestants are going to believe in transubstantiation in the next 15 seconds their belly starts yelling for food. Politics and religion are always together. Started way back there under the first king, Saul. The next king, even David was with Hiram, having a great time, then Solomon, right down the line. Then they get an Ahab on the throne...oh, God. See?

40. Now:

[85-5] *So she can't give Word-birth to her children. none of them. So they can't give Word-birth. There's nothing there. In other words, they simply can't take the Word and produce. She's a harlot herself. The Bible said she Was'. She had a cup in her hand and was giving out her doctrine to the people which Was' an abomination. the filthiness of her fornication, What is her fornication?--unclean living. And for her doctrine she is giving to the people. is the filthiness of her fornication. Well, what it is right here is idolatry and a wrong Word, wrong worship entirely. And the kings of the earth shall be made drunk with the wine of her fornication. Exactly right.*

41. Now, the question comes up, "If all this is true, my God, where is there anything anyway?" The whole system is completely messed up. Where is this anyway? Okay, its found in Romans, the 11th chapter, and It tells you, verse 1.

- (1) I say then, Hath God cast away his people? God forbid. For I also am an Israelite, of the seed of Abraham, of the tribe of Benjamin.
- (2) God hath not cast away his people which he foreknew. (Which He foreknew that are called by His Name-not those people calling themselves by His Name. Not those that are not foreknown, but the 'foreknown'-His foreknown.) Know ye not what the scripture said of Elias or Elijah? how he maketh intercession to God against Israel, saying,
- (3) Lord, they killed thy prophets, and digged down thine altars; and I am left alone, and they seek my life. (And when I am gone, its the end of it.)
- (4) What did God say? (Hey, man, why don't you shut up and listen? Oh, He was always very nice.) I have reserved to myself seven thousand men, who have not bowed the knee.

And so all the time there's a remnant. There's a little remnant that stays with the Word, whatever the measure Word of the hour-they believe it. They might not understand It. They might not explain It perfectly. They just know It's right. They're the ones, so always there's that little

remnant. And so, at the end time, when it's wretched, miserable, filthy, naked, and blind, there's a little remnant in there. And when the Voice comes, like John, they turn to see the Voice-if It's a Scriptural Voice. And if It is, that is right. But if you haven't got any place for the Word, you won't know if its a Scriptural Voice or not.

42. Now, we had a preacher stand up here and quote another man, who's just as ignorant as he is, and said, "Well, if this isn't the real thing." Bro. Branham said no man has a right to this pulpit unless he's met with the Pillar of Fire. Where? There's a Pillar of Fire; well, come on, honey, take a good look. It's right here. Here it is. Here's a picture. Any preacher had better meet with God, and the pew is no less responsible. There's only one evidence. Seems like some people around here have heard me preach for the last 15 years and think there's more than one evidence. Or maybe they think there's only one-and that's theirs. I can tell you one thing: you question what Bro. Branham said, and he said the next thing was a counterfeit. The next ministry goes to Israel. I just say, "What were those buzzards looking for?" Dead rabbits? I don't know.

I may die for the Word I hope to God I can die nobly, regally, and with the utmost sarcasm and meanness against those who do it you ever saw. I don't pretend to want to be like Jesus, who said, "Father, forgive them," because I got news for you. There isn't any in this hour. So, the Seed's running out fast, if it hasn't run out already. In fact, at this particular time, we should be so detached from everything, it really doesn't matter. We have our necessary meat. We have the Food in due season. They do what they want. That's their business.

43. [85-5] *So she can't give Word-birth to her children. How can she, if she hasn't got the sperm of it? She is a harlot herself. The Bible said she was. She had a cup in her hand. was giving out her doctrine to the people which was an abomination, the filthiness of her fornication. So 'fornication,' you see, is unclean living, and if her doctrine she's giving to the people is the filthiness of her fornication-which is idolatry, which is mixing the Word, the whole bit...The kings of the earth and all was mode drunk with the wine of her fornication. Exactly right, look at them. Boy, they'd cut your throat in a minute for that. Not only Ca/holies, but Protestants.*

[86-1] *Listen, you Methodists. Who killed Joseph Smith? Now crow. Although I don't believe in his doctrine, neither do I believe in yours. In other words, start boasting, you Methodists. That's not it, that's you. That's the reason Joseph Smith had just as much right to preach his religion here in this nation as you do, but you killed him up there in Illinoi; shot him without a cause, because he's something a little different. Of course, they claimed he was stealing their horses-I think he might have been stealing their wives. Then you holler about the Catholic Church. Come out of that bunch of nonsense you Methodists that's ordained to Eternal Life!*

44. You see, Bro. Branham was still calling at that point to the organization where people are in there. See? Looking for that remnant-that's what I am talking about, because that is not going to bring Christ down here to earth, because He cannot come except for the Bride and the Wedding Supper, which we'll meet Him in the air. It's impossible. Now, who's going to be responsible? It can't be this bunch, because they haven't got it. See? That's what Bro. Branham said, *Always John the Baptist and all the ones acted apart from organization, acted by themselves out in the desert.*

[86-1] *Now: John Wesley would turn over in his grave, acting like that. Sure he would. John Wesley never established any such church as that. A bunch of 'Rickies' and 'Elvises' did it after John's death. That's right. Not John Wesley. It's not those old early Pentecostals ever*

made such an outcome as this. It's the same group after this death. That's right. Jesus Christ wouldn't have established something like we got now called Pentecost; neither would the Holy Ghost, but it's something you got here instead; but the Holy Ghost is something they can't kill now. It's going to take a Bride anyhow. It's going to take one anyhow. He said He would predestinate it.

And that's what He did. That's over here in Rom 11:5: "Even so then at this present time there is also remnant according to the election of grace."

45. Now, see,

[86-2] *She left Jesus, her Word-Husband to many a pope, so she can't give birth, spiritual birth--she can give denominational birth now; she's got plenty of seed of that.*

So, many more of the children of the desolate than she that's got a husband. Yet the Catholic Church says, "I am not a widow. I am rich. I am increased in goods. I am a queen. I am a wife." And the Protestants are right there with her. And it isn't true. See? You can't reconcile the Scripture. "Millions now living won't die." That's a lie. And the Pentecostals are the worst offenders of all of them! Millions-they're crazy! They're going to die. "As it was in the days of Noah." How're you going to believe a church, when there's a Word of God here? Hey, if they can't even see that, don't expect them to see anything! Forget it! Forget it. If you can't see a sign that's 10 feet high, don't ask a person to see a two-foot high sign. See?

[86-2] *She can give only denominational birth now: she's got plenty of seed for that--she can't give spiritual birth, because she's a harlot. Only thing she can give is denominational life and a lot of ballyhoo. The Catholic church itself is made up upon a few superstitions of Christianity and a bunch of Romanism, and the Pentecostal church is just as bad--a bunch of jumping and shouting and speaking in tongues and things like that. When it comes down--enough temper to fight a buzz saw and turn you out of their congregation. If God came in and raised the dead, if you didn't agree with them. they'd run you out. and you don't belong to the, if you don't belong to their organization.*

46. In other words, he's telling you flat. If you came in here and gave a mighty sign of raising the dead and disagreed with what they said, even though you're Scriptural, they're unscriptural, they would boot you out. They'd boot you out.

Now, this old mother harlot (I'm going back to her a minute), she claims power to forgive sin, but you are not judged by your claims; you are known by your...you're not known by your claims. You're known by your works.

Now, Bro. Branham said, *The works prove it. Vindication. How could she forgive sin? Look at her. Jesus did the same thing, they...said. He said. "You condemn Me; show Me where I disbelieve the Word."*

That was concerning vindication. Tell me what I haven't done that I should have done, according to the Word And being a prophet, he had only one thing to do--prove by vindication; prove that it was God, when they have so little on the ball to say, "Why, he casts out the devil by the devil. He casts out Beelzebub by Beelzebub." What are you going to do with a people like that? You come along and the smart scientist. He knows everything about a diamond. And you present a big diamond, and he says, "Why, I can tell you right now, that's a zircon." He's a liar, and he knows

it. Hey, don't tell me I'm not telling you the truth, because the devil's a liar, and he's the father of the lie. And his children do the same thing. You're going to tell me now a dog doesn't act like a dog, and a pig doesn't act like a pig. Oh, you're so smart, you're stupid! What's the matter with you? I'll tell you what: brute beasts made to be taken and destroyed Yeah. There's nothing there. There's nothing there at all.

... show me where I disbelieve the Word.

[86-3] *She claims power to forgive sins, but that comes only by the Word.*” That’s Acts 2:38-39. *“That’s right. God only can forgive sins. Is that Right! Didn’t those Pharisees say that? What was the mind--the matter with the blind bunch of hypocrites.”* What was the matter with them? *“Why? Because they didn’t see that was the Word standing with them! He IS the Word! Glory to God! That’s the reason He could forgive sins. He was God! He was the Word manifested.*

47. Now Jesus, per se, wasn't God. But the One that stood there that said those things, was God saying It through Him-just like the prophet told us.

[87-1] *Now the Catholic Church says Jesus gave them power. He did. He gave the church power. That's right.*

Now Bro. Branham: They said to him, “We can forgive sins.”

He said, *“I’ll agree with you as long as you do it by the Bible.”*

They said, “What do you mean?”

He said, *“Acts 2:38: ‘Repent, and be baptized, everyone, in the Name of the Lord Jesus Christ.’ That’s the way you do it.”*

But it doesn't say, “I'll forgive you your sins, because I'm going to do it; because I'm a great representative of God” Hogwash! A prophet alone can come and say, *“God has forgiven your sins, because God spoke to that man.”* Like that man. What is it, Topeka, Kansas? I guess it was where Bro. Branham was and told the man in the audience, *“God has forgiven you.”* Oh, man, you could feel the spirit bristle-people bristle up. He said, *“I felt that,”* he said, *“but I can tell you: the same One That told me what was wrong with him told me to tell him, his sins are forgiven.”* I think they calmed down a little bit then. Oh, those Pentecostals; phooey! They're like Catholics.

48. [87-1] *The Catholic church said Jesus gave them power. He did. He gave the church power. That's right. We believe that. All her daughters are harlots. All her daughters, her denominational daughters, are harlots. “Brother Branham that is a big word.” That ain't my word: that's His Word. That's exactly. It's not mine, it's His.*

[87-2] *All right, how? You say, “How are they? How do they become harlots? Why, they are good people. I don't say a thing about that. I'm not saying what they are. I ain't saying the Catholics aren't good people. They are...they are as good as anybody. They are human beings like we are. But when it comes to that old church, she's wrong.*

Now, there, you see, Bro. Branham said, *“I am not against the people, I am against the organization”*

The Protestants are just as good--the Methodists as good as the Baptists or Pentecostals, or anybody else. They are all the same.

[87-3] *But the thing of it is, how then can she be a harlot? Why? Give her the Word test. That's how you know it. Try her on the Word once and see what she says. 'Oh, of course, we're taught in the seminary that those days--they're gone--used to be that way, but, you know, that was way back in the days of the apostles. That was for the apostles only.' You so-called Church of Christ-- 'speak where the Bible speaks and silent where It's silent ' Well, I'd like to hear you do some speaking now. No, you shut up. God's Word shuts up everything, Brother. No man can brag. That's right.*

49. Now, Bro.Branham can only say that on the grounds of vindication and we're before the White Throne right now.

[87-4] *All her daughters are harlots. How?--by the same...by the same as their mammy-- committing just spiritual fornications against the Word. That's how the Catholic church became a whore. That's how her daughters become harlots. Same thing spiritual fornications against the Word. She and her daughters has a whoring womb. Only death can come from them. God can't bring life through death, and anything that's born dead is not alive. And like Job said, 'Can you bring a clean thing out of an unclean--no not one.' Right. How can she give birth herself when she is dead herself? How can she be a virgin when she's a whore? See, there you are. That's the whole thing.*

[88-1] *Oh my, now we're going to hit something real rich, full of vitamins from Genesis to Revelation. Notice, and she and her daughters have a whore's womb. Only death can come from them. If you want to join an organization, think you're all right, you see where you're landing. You are landing right in the midst of death. Just exactly. If you can't see that now, you're spiritually blind.*

50. Now, I will tell you, if you'll go back to your Old Testament, when a woman got pregnant out of wedlock, they burned her with fire. Now, you notice something? They say the man got let go. Well, I am going to ask you a question, "How much did God heap upon the beast when he messed with Eve? Not much. Man fell into trouble. You don't hear anything much about this serpent. He's still free, running around. See? So when you talk of the woman, that's why you're going to find that the woman is burned with fire and stoned with hailstones 100 pounds in the great tribulation. It's not because she's a female or a woman, but because she is called that in the Book, as a woman that is supposed to bring forth that Seed.

Now look, they didn't do it in the days of Jesus, when He was on earth, and He was that Seed. It's not going to do it now. It's going to take somebody with a virgin womb. That's why he's talking about a Mary of the last day who believes: That little tiny remnant. "Behold I stand at the door and knock, and if any man hear My Voice." And what does it mean? The answer from within has got to be, "Be it unto me according to Thy Word." Whose Word? That Word The vindication. Not going to believe just every old thing. Hogwash! Don't tell me people don't have visions and dreams and things come to pass. I'm not interested.

51. You have people testify. Why a man and a wife at the same time had the identical vision. Both got born again. Turned down this Word, say they believe It and then follow somebody. I won't mention names. Come on. Boy, I tell you. I've given up on phenomena. Forget it, forget it; forget it. I'm not interested. Brother, when I step on the gas and the Corvette steps on the gas, when

they push their pedal to the metal, and I push my pedal to the metal, I'm going to tell you one thing- 'Phugh...shoom!' (Bro.Vayle makes sounds of disgust and then rapid acceleration). Corvette's down the road...What is it? Eight seconds...120 mph.

And I'm trying to do 20 mph in 10 seconds. I don't have any vindication. Forget it. I'm not so stupid as to try to race a Corvette or tangle with a Sherman tank. I'm not very bright, but you better believe I got a, maybe a 10-watt bulb up here. I may not have 100-watt, but I got a 10 watt. And under the right condition I can see just as well what I need to see with the 10-watt as 100-watt. There's the 100-watt. [points to picture of Bro. Branham] My 100 watt does fine. Yeah.

52. Okay. He said,

[88-1] *We're going to hit something rich. Notice, she and her daughters has a whore's womb. Only death can come from them. That's true.*

[88-2] *Now, let's go back and pick up again and come down for something. You remember what last Sunday's service was?--The Gate to the Soul.' You remember? Now. there...now. there is a womb of the physical; and there is a womb for the spirit. Do you believe that? There is a spiritual womb and a physical womb. And the mind is the womb of the spirit.*

Now you've got a think coming, eh? Hub? Where are they tonight? Isn't it strange how they petered out in this series? I can tell you something, child. If you weren't back there in Genesis, you ain't here in Revelation.

Time up? Forget the 5 minutes. We're going to start here next time. This should be good. I'll try to make my notes so we can pick this right up here.

53. Well, we did brilliant, didn't we? From page 22 to 26-I thought I had 15 pages done, but I knew, sitting there, I was in trouble, because I began seeing some things here in the Book of Genesis. Hub? I don't say I'm right, but it'd take one person to prove me wrong, and that's the prophet. And I am not against the prophet. I'm not vying. I am just saying certain things that he said gave me the clues. When he said Eve was a by-product; she was out of the original that opened the door. What else was? How does it all come? Where does it all go? Keys to the kingdom! And Rome thinks it's got the key. Ha! Hasn't even got the key to the fact that she consorted with Baalim--brings about a bunch of Baalimites. Let's rise and be dismissed.

Heavenly Father, we thank You again for the time we have together here with Your Word, and it's always a blessed time: energizing, stimulating, revealing; food for the soul, food for the mind, food for the body, because we're to be sanctified: body, soul and spirit. It was even prayed our whole minds and bodies and souls be sanctified, the whole thing, Lord And we realize that is going on now by Your Word, in spite of ourselves. That's why it is all of God, we know, and what's going to come forth at the end time is all of God. We praise You for that, Lord, because the real 'we,' which is that soul, that gene, will no longer be obscure and no longer be tied down but will be back there coming in the Resurrection and Millennium to go into the place, Lord, where You told Adam and Eve what they would be doing and how they would be bringing forth. And, I believe, Lord, during that Millennium, we'll be bringing forth out of Christ the riches and the glories that are hidden therein, even down through countless ages, bringing forth from God through divine grace, His revelation; revelatory power, as we draw on Him. Even as Bro. Branham said, "You make the gift operate in me."

Lord, I really believe that's the same thing as we look to You. Lord,. and our hearts are open. They're open. Lord, not claiming to be full but wanting to be full Lord. We believe that great power sanctifies us further--Your Word, Your Truth. and we're drawing on It, living; the Light becomes more magnified, more marvellous, more glorious, because this is what we believe was ordained for us.

Lord, I trust that every single person here becomes truly illuminated, and invigorated and stimulated, Lord,. by the revelation of Your Word,. knowing that we're just breaking into It, ready for the great move, O God. What a mighty Word is taking us into the Millennium, and what a mighty Word is making us that people, because now we're Word, with Word piled upon Word, coming into more of that manifestation. We know that to be true, Father, we just refuse to have anything to do with anything else. This is the way it is. That's the way it is. Time and Eternity has mingled. Mortality, immortality mingling. Corruptibility and incorruptibility mingling. The great mystery of the end time. People not seeing death. So subjection going on progressively, and we, more and more of apart of it.

These things, Lord, we honour Your Name for, and thank You. Help us, Lord, if there's any little glitch anywhere, anything at all that isn't in line, it just gets right away from us, Lord. We cast it from us as an unclean thing, that we might shine; our garments. Lord, of You. Everything of You. Father, tonight, we just want, I guess. I think, above anything in the world, not to have one more think coming. No, no, no, no, no. Except the thoughts be from You, Lord. Then we want any number that You want to give us, but, of ourselves, Lord, help us to just get rid of all these extraneous and foolish things and come right back to the Life within the Soul that is hungering and knows how to reach out and pick It up and use It, Lord. Word upon Word till it's a Word, as Bro.Branham said, "The stature of a Perfect Man," living and moving. Grant tonight, Lord, that not one of us miss it here, not, not miss It, Lord, but coming more and more into It. Heal the sick among us, Lord. Help us. Now unto the King Eternal, immortal, invisible, the only Wise God, be all power and honour and glory through Jesus Christ, our Saviour. Amen.
