9:15am the kids arrive and sign in. They find their chair at the table and sit down to do morning table work. Table work can be anything from writing their name, tracing lines, cutting, coloring, practicing numbers, letters and shapes. It should only take them a few minutes to accomplish this task. Then they are free to pick a math bucket and play with it until all children have arrived.

9:35am circle time. We greet one another. Say the Pledge of allegiance. Take attendance. Do our weather and calendar.

10am freeplay. The Kids choose a center they would like to play at. Some examples of free play we rotate through are dramatic play, kitchen, blocks, legos, art, playdough, dry erase table, books, sensory table.

10:15 am snack time. Each child will be asked to bring in a healthy snack and juice for 10 kids and 1 teacher to share. I collect snack at the beginning of the month from each child.

10:30 am bathroom break.

10:40 am music and movement. We dance and move to a variety of music and songs

10:50 Handwriting Without Tears. This curriculum is a fun interactive learning program to teach your child the key foundation skills they need for kindergarten with multi sensory and developmental learning. Your children will learn joyfully with the multisensory readiness activities, which will include My First School Book. We use fun, engaging and developmentally appropriate instructional methods to enable children to master handwriting as an automatic and comfortable skill. There will be a handwriting workbook, My First School Book, that your child will be able to share with you at the end of the year. Because of the cost of this extra program there will be a **\$13.00 fee** for the cost of the workbooks added to your tuition statement. I am looking forward to sharing this program with my students.
