

## Consul General Austria Meets with Paragon Testing Enterprises Inc.

12 September 2018 – Consul General Maria Andrelita S. Austria (rightmost) receives at her office representatives from Paragon Testing Enterprises Inc., a subsidiary of the University of British Columbia, offering English testing for foreigners wishing to immigrate to Canada, become Canadian citizens or study in Canada. Alice Ang (2L), Manager for Business Development, and Michelle Avelena (leftmost), Project and Partnerships Lead, introduced the CELPIP as an option for Filipinos that is more geared towards the Canadian setting, and explored ways to cooperate with the Consulate in disseminating this information and helping prepare prospective applicants for the tests. Paragon recently opened its first testing site in Ermita and will be opening its second center in Cebu soon. Joining the meeting are Deputy Consul General Leo Tito L. Ausan (center) and Consul Arlene T. Magno (2R).
