If there are sessions that seem less helpful to your needs, you may also arrange with Steve Meadows to view a session from NewSPEAK Cloud City during one of the timeframes above (please do so by September 30). The NewSPEAK sessions will also be available to you virtually in the future as needed. Sessions include Cutting Scripts (and Finding Them), Debate Overview, Speech Class Curriculum and Lesson Plans, and Fundraising. Additionally, if you need help setting up a Tabroom account, an appointment can be made to do so with Rachel Page or Steve Meadows in these times.
