From the Presidents' Desk

Why is it that when you do a good deed, the world does not beat a path to your door? Think about it. Our Angels come out to help the Rail Dusters week after week, and no one has put up a statue in the park for them? Where are the Rodins or the Michelangelos who should be rushing in to make heroes of them all, and permanent reminders of their dedication and kindness?

Well, this article is meant to do just that, to thank the Angels for building the class and adding its aura of nurture to our growing club. Our Angel family is the glue that binds our club together. We are a caring and giving club, and our special brand of commitment appears to be getting stronger each year.

Trail Dusters Angels give our square dance club the fine reputation of a group of fun loving people whose dedication to the Square Dance community is respected and admired.

So, here's to you, Angels. We salute your efforts and ask that you continue doing what you do so well. You are needed, respected and loved for your presence,

You are appreciated more than you know.

We continue to build bigger and better dances. Our February club dance was crowded with happy couples dancing the night away with many Trail Dusters in attendance. The next day we celebrated our sweetheart couple, Sandra and Bob Sobel, at a very well attended dance in Hawthorne. As Presidents, it gives us much pleasure to report on the continued growth of our unique and wonderful club.

While we are in the process of appreciating unsung heroes, we want to thank the Board members, both past and present, for their skill in keeping our club so vibrant and fun loving for all these years. There is nothing so heart warming as knowing that you have always been there when there was a need, and will always be there if called upon. Bless you all!

We'll see you in a square.

Wearing Of The Green

March 11th

FUN (Class Level) Dance

Our Rail Dusters have been working hard every week learning the rights and lefts of square dancing, and now is the time to recognize their efforts!

Our March dance features Dick Hodnefield and DonSchadt two excellent caller/teachers that guarantee a FUN dance with tips that will entertain you. We all once were at the beginner's level. I am sure you can remember the angst you felt when contemplating actually going to a Square Dance and the flutter of excitement to leaving the "nest" and joining our community on the dance floor. We need you to join us on March 11 to support and encourage our Rail Dusters and to ensure that they enjoy themselves (flier page 12).

Milo will provide the round dancers with an evening of smooth cueing, and those not round dancing can be entertained in the lobby area for food and friendship.

Sandy & Robert Sobel will, as usual, have rounded up other Trail Dusters to provide an abundance of snacks. Everyone knows that there are no calories when you are square dancing, so eat, eat, and eat...and then poke your head into the kitchen door and say thanks.

KNOW YOUR MARCH 11 CALLERS

Dick Hodnefield and his wife, Gayle, graduated from a square dance class in the spring of 1972 in St. Paul, Minn. In August of that same

year, Dick attended a weekend New Caller School. He had no intentions of ever becoming a caller, Dick just had to know how it worked! By the end of the weekend, he was hooked.

By September of 1973, he had become the club teacher and caller for three clubs in the St. Paul area. Dick also started his own club, the Spin Chain Gang in September 1980. Dick was the teacher for the Trail Dusters for twenty years, from 1981 to 2001. He became the class teacher for the Boots and Slippers of Simi Valley, and he is still teaching for that club today.

Don Schadt began dancing in 1954 when he was four years old. He took his first caller class in 1964 and then proceeded to form a square dance class for

beginners. His caller career was off and running. At the same time he pursued a career as an engineer in the aerospace industry. Don currently owns a business in Simi Valley, CTS Inc., which tests buildings for safety

Don recently celebrated more than 50 years as a caller. He loves square dancing because it brings all sorts of people together to have a good time. To quote Don, "That's what square dancing is all about--

people having fun."

Our club dance in March will be called at the class level by Dick and Don, the two callers you just read about. They have the experience to make any dance be lots of FUN. So all of you dancers should be at Wilkinson Center to find out why so many of us have danced for so many years....for the FUN of it!!! Don't miss out on a great evening.

LAST CHANCE TO SEND ADDRESS CHANGES BEFORE THE NEW CLUB ROSTER IS PUBLISHED

Our club roster is in the final stages of preparation before it is released at the end of February. The roster will then be distributed by email to all current club members. If you have changed your mailing address, email address, or phone contact info during the past year, please send us that information right away. Otherwise, all changes received after publication will be included in the next (July) roster edition. If you are not sure if we have your correct information, send it to us. We would rather receive duplicate information than have any entries that are not correct. We look forward to hearing from you!

Sunshine & Showers

This month's news takes us all over the map. We begin with the announcement of the January 25th passing of a former President of Trail Dusters, **Farol Brifman**, following a lengthy illness. **Farol** and her husband Mark were members of the Class of '94, (my class!) and she was the mother of Trail Duster **Lauren Brifman**. A Memorial Service was held on January 29th at the home of a close friend. To all the Brifman family, we extend heartfelt condolences and hope that memories of **Farol's** happy and healthy years will remain with you and bring you comfort now and in the future.

Heartfelt thoughts of sympathy go out to **Jaye Sedillo**, friend of our teacher/caller Arlen Miller, on the February 7th passing of **Jaye's** mother, Norma Webber, who was 98 years of age. How blessed you were to have each other for so many years, **Jaye!** We hope that those years were filled with wonderful memories that you will carry with you always.

On a happier note, two Trail Dusters became one this month when **Ken Burkenheim**, Class of '04, and **Eileen Kelmanson**, Class of '08, were wed on February 9th at sunset, on the beach at Oahu. They continue on their extended (4-month) honeymoon cruise around the world. All of us send best wishes for your happiness together from this day forward, **Ken** and **Eileen**, and we shall anticipate welcoming you home in May and seeing you join us again for the upcoming Trail Duster events!
CONGRATULATIONS!

Finally, "Yours Truly" is now at home resting and recuperating following major back surgery on January 26th. My 3-day anticipated hospital stay ended up to be nearly 10 days in length, so it REALLY felt good to return home and to be in the care of my amazing hubby, Norm! Home Health Care nurses and physical therapists have made many calls to our home since my return, but I am now released from their care. Although progress is slow and it will be a while before we are able to resume any club activities, we're both grateful that each day brings some improvement toward my full recovery. In the meantime, I want to express heartfelt thanks and appreciation for all the beautiful cards, phone calls, e-mails, visits and messages wishing me well. You have made me feel truly loved and very special! This is why I always refer to Trail Dusters as being a "Family!"

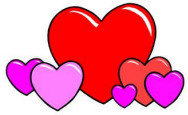

Now it is YOUR turn to let me know what is happening in your life. Engagements? Weddings? New grandchildren? Illness? Whatever is going on, I'd like to hear from you, BOTH Trail Dusters AND RAIL Dusters, so that I can share your news with the rest of our family. Please contact me at the e-mail address shown below. I will then be in touch with you BEFORE anything is printed! It is always up to you as to what you wish to share!

I'm looking forward to hearing from you – and hoping that the rain will subside and your sunshine will "come shining through!"

Valentine Dance & Sweetheart Ball

Love was in the air this month as Trail Dusters celebrated their Valentine Dance and honored our Club Sweethearts, **Sandra and Robert Sobel**, at the ASquareD 55th Annual Sweetheart Ball.

The weekend kicked off with

Johnny Preston as our caller. We

had 12 squares which included 38 Trail Dusters and our guests dancing to John's incredible voice. Milo Molitoris cued to a full house of round dancers.

Simcha and Phyllis Saul did a great job with our refreshments, and Marilyn and Len Bloom had

Johnny Preston greeting everyone

at the door as they arrived. A bonus to the evening was seeing our publicity Canadians, Shirley

and Collin Brown (who now live in

Canada) arriving late in their matching Hawaiian prints right off the Cruise Ship.

The Sweetheart Ball was held at

the Hawthorne Memorial Center. It is safe to say this event was an amazing, totally red, and rousing success. Sandra and Robert

looked wonderful as they paraded

around the dance hall to the thunderous applause of 40 enthusiastic and supportive Trail Dusters.

Mike Seastrom and Hunter Keller called to a full floor of dancers focusing faithfully on their creative and sometimes complicated calls. The floor was equally filled with round dancers gliding through the cueing of Zena Bealieu. In a sea of red, this Valentine's soiree was wonderful. Over 500 people attended this event.

Trail Dusters donated a beautiful basket filled with goodies generously contributed by **Anita Higer** and wrapped by **Maureen Fried**. Many hopeful winners dropped their tickets in its drawing bag during the Auction. Trail Dusters lined up on the stage to take the picture you see on page 9 with our Sweethearts. Thanks to **Marilyn and Len Bloom** who organized the group and took pictures of a fun day.

After the dance, most of us boarded our fun bus. Thanks to Lads and Lassies for arranging the bus. After returning to our cars

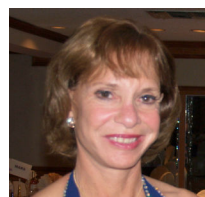

we promptly drove on over to the Lamplighter for a delicious dinner celebrating **Robert Sobel's**

birthday. More laughter and camaraderie followed well into the evening.

Student Stomp

Trail Dusters and Rail Dusters made a hit at this year's annual half-way dance known as The Student Stomp which took place at Wilkinson Center on January 29, 2017. The Student Stomp is sponsored by the Associated Square Dancers (aka ASquareD) for all the clubs in the Ventura/San Fernando Valley. Students and angels had an opportunity to get their groove on in a real dance atmosphere rather than just in our weekly class.

We are proud that our club was represented by so many Rail Dusters and Trail Dusters - see picture on page 9. We had the largest contingent of all the clubs. We appreciate all of our Angels who turned out to support this very special event.

The Student Stomp gave our students a chance to get accustomed to the pace and the phrasing of different callers. The six callers certainly had a variety

of styles. The callers included Rod Shuping, Dick Hodnefield, Jay Henderson, our own Arlen Miller, Dale Hoppers, and Don Schadt.

Like all square dancing events, there was a great array of food at the Student Stomp. After the dance, some of us promenaded over to the Stonefire Grill. We thoroughly enjoyed a lovely dinner on the outside patio and even lovelier conversations.

Coordinators Corner

Our class continues to really shine and we are happy to report their terrific progress. Arlen is now teaching our 23 students the **mainstream calls**. Several of the class members are dancing twice a week and also reviewing the calls on line. Another suggestion for those who need some extra help would be to attend the **new beginner class Valley Trailers is starting March 14th**. This class will meet every **Tuesday at 7 PM** at Wilkinson Center (flier page 13).

A lot of the class also attended the Student Stomp and did very well. We encourage them to attend the **Fun Dances** at class level hosted by Boots & Slippers in Simi Valley the **first Saturday of every month**.

Our class dance on **Sat. March 11th** will be at **Class Level, at the Wilkinson Center. All class members are invited and**

encouraged to attend this dance (flier page 12).

On Saturday, April 1, the Trail Dusters will make our club visitation to the Boots & Slippers Fun Dance in Simi to support our Rail Dusters. We hope lots of our Angels will attend to support our class.

It is a very busy time. We are starting to discuss **graduation** and the steps involved in the process. We had a meeting with **Marlene Lovett** on Feb 15 and she presented options available for the **class outfits**. She brought samples of several styles the ladies can choose from, skirts, aprons, scarves, etc. The men wear a tie with club colors and they can order this from Marlene as well.

We had our first meeting to discuss the **Graduation Presentation** at Joel & Lynn Ovadia's house on Monday Feb. 20th. The class was shown some videos of what others classes have presented to give them some ideas.

Again, we want to express our thanks and appreciation to all the Angels who come out every Wed. to help our class. ***We could not do it without you !!!***

Let us introduce you to more of our new "Rockin Rail Dusters".

Our next Rail Dusters are **Tracey & Tom Bolton**

Thank goodness for the internet because that is how Tracey and Tom Bolton heard about our Square Dance Club. Tracey was born in Denver, moved to San Francisco in the 80's and finally

settled in Los Angeles in the 90's. Tom is a California native, born and raised in the San Fernando Valley.

She is a retired 1st grade teacher and Tom is still working as an Aerospace engineer. They have four grown children. Tracey is a painter, and she grew up skiing. Tom is a woodworker, turns bowls and makes furniture. They both love to travel, and Tom has traveled to Japan for work. They are both very creative and won our annual Halloween costume prizes for their medieval attire.

We hope to dance with Tom and Tracy for many years to come and are thrilled they are part of our Trail Duster family.

See you in a square,

Dear Members of the Nobody Goes Home Hungry Club

DID YOU KNOW: That food historians generally credit the invention of Ice Cream to the Chinese. They were enjoying flavored ices as far back as 3000 BCE. It was Marco Polo that brought the idea to Italy.

The first ice cream recipe in America came from a 1792 cookbook "The New Art of Cookery, According to the Present Practice." The invention of the hand crank ice cream maker allowed people to make their own ice cream at home. Little did the Chinese know, over 5,000 years ago, that 2 young men named Ben and Jerry would make Cookie Dough ice cream all the rage.

A special thanks to **Miriam and Bernie Brauner** for helping us in the kitchen this month. They are wonderful and their help was greatly appreciated. And thanks to all of you who bring the wonderful food each week for all of us to enjoy.
