

Take Control of Your Weight and Health with ZRT Home Lab

Let's Get the Full Picture....

Are you struggling with weight management and concerned about the risk of metabolic and diabetes issues? Do you want to take control of your weight and health by uncovering the root cause of these issues? Look no further than ZRT home lab testing for weight management profile.

Weight management profile testing is a cutting-edge diagnostic tool that uses advanced technology to analyze your hormones, including cortisol, insulin, and leptin, as well as your blood sugar levels. By monitoring these markers, you can gain insight into the root cause of your weight management issues and take proactive steps to manage them.

With ZRT home lab testing, you can:

- ✓ Get a comprehensive look at your hormone levels, including cortisol, insulin, and your blood sugar levels.
- ✓ Identify patterns and trends in your hormone levels that may be contributing to your weight management issues.
- ✓ Work with your healthcare provider to develop a personalized treatment plan that addresses the root cause of your metabolic and diabetes risks.
- ✓ Get accurate and reliable results that can help you improve your overall health and wellbeing.
- ✓ Save time and money by avoiding unnecessary doctor visits and laboratory tests.

How to get started?

Schedule a virtual or in office appointment with Dr. Sonya. After taking your health history and evaluation, she will recommend the right lab for you to ensure accurate diagnoses and an effective treatment plan. You will be supplied with a ZRT home kit. ZRT hormone testing kits are easy to use and include everything you need to collect a sample from the comfort of your own home. Simply follow the instructions provided, collect your sample, and send it back to the lab in the prepaid envelope.

Once your sample is received and analyzed, Dr. Sonya will give you your results in the follow up visit and provide you with a personalized report that includes easy-to-understand explanations of your results and actionable recommendations to manage your weight management issues.

Don't let weight management issues and metabolic risks control your life. Take control of your weight and health with ZRT home lab testing for weight management profile. Order your home lab testing kit today and start monitoring your hormone levels and blood sugar like never before
