Mill Creek Water Reclamation District

**MILL CREEK RECLAMATION DISTRICT/MILL CREEK SPECIAL SERVICE AREA**

**INTERGOVERNMENTAL AGREEMENT**

THIS AGREEMENT entered into by and between the Mill Creek Water Reclamation District (“District”), an Illinois sanitary district and the County of Kane ex rel. Mill Creek Special Service Area (“SSA”), an Illinois unit of local government, effective on the last date executed by a party; both of said entities being located essentially in the County of Kane, State of Illinois.

**WITNESSETH:**

**WHEREAS**, the parties are municipalities or units of local government as provided in the 1970 Illinois Constitution (Article VII); and

**WHEREAS**, the 1970 Illinois Constitution (Article VII, Section 10), and the Illinois Compiled Statutes, 2017, Chapter 5, Section 220/1 et seq., provide authority for intergovernmental cooperation; and

**WHEREAS**, the Mill Creek Planned Unit Development (the “PUD”) is a mixed use development located in Geneva and Blackberry Township, Kane County, Illinois; and

**WHEREAS**, the SSA provides various services to the Mill Creek Planned Unit Development including, but not limited to, street lighting and entrance signage; and

**WHEREAS**, the District provides sanitary, potable water and stormwater management to the Mill Creek Planned Unit Development; and

**WHEREAS**, there is an electrical service, with an independent meter, near the entrance to the PUD at Fabyan Parkway and North Mill Creek Drive which provides electricity for the SSA’s signs and lighting as well as electricity for the District’s nearby stormwater pond aerator; and

**WHEREAS**, the SSA and District desire to fairly allocate the electric fees and charges incurred at this meter between the two entities.

**NOW, THEREFORE**, in consideration of the mutual agreements contained in this Agreement, the SSA and the District agree as follows:

1. **Recitals**: The recitals hereinabove made are incorporated by reference.
2. **Allocation of Costs**: The District has estimated the kilowatt hour usage for the pond aerator at Pond No. N30, based upon historical electrical billing and the pond aerator’s electrical specifications, to be \$34.37 per

month, or \$412.42 per calendar year. The District will pay its yearly portion of the electric bill, in advance, to the SSA during the first quarter of its fiscal year. For calendar year 2018, the District will pay the sum of \$412.34 upon the execution of this agreement. The parties shall periodically re-examine the District's proportionate share of the electric bills based upon actual usage but not more often than every two years.

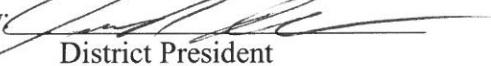

3. **Termination:** This Agreement shall be terminated when the parties agree unanimously to withdraw and to terminate this Agreement. A party may withdraw from this Agreement before termination by unanimous agreement if such party no longer uses the subject electric meter .
4. **Severability:** If any provision of this Agreement is invalid for any reason, such invalidation shall not render invalid other provisions of this Agreement which can be given effect without the invalid position.
5. **Effective Date:** This Agreement shall be effective upon execution by all the parties.
6. **Governing Law:** This Agreement shall be construed in accordance with the law and constitution of the State of Illinois.

**IN WITNESS WHEREOF**, the undersigned governmental unit has caused this Agreement to be duly executed and attached herewith a copy of the ordinance authorizing the signing official to execute this Agreement.
