PLEASE SEE REVERSE

¹ ShopWithScrip does allow for the option to order online and still pay by check or cash. Due to the undue burden this would cause our volunteers, HGA’s GAGC Online Option will use PrestoPay exclusively.

Please note:

Orders that are placed through the Online Option by families participating in the Tuition Credit Program will appear in tuition accounts in the month following their order. For example, online orders placed in December will be credited to tuition credit accounts by January 31.

Users of the Online Option should keep in mind that the rebate percentage reflected on the ShopWithScrip website does not take into account the 1% overhead for program maintenance. After the 1%, the remaining rebate goes to the parish in its entirety, or is split 50/50 with a tuition credit account. Or, in the instance that a family has reached \$150.00 in tuition credit accrued, then the remaining rebate will go to the tuition credit account.

For example, a participant purchases a \$100 Old Navy Gift card with a rebate return of 14%. 1% goes back to the program for overhead. The remaining 13% goes to HGA Parish or is split with 7.5% going to HGA Parish and 7.5% to a valid tuition account.

It is possible to order physical gift cards via the Online Option. If physical gift cards are included in an Online Option order, they will be delivered on the next soonest order pick up date following the order to avoid further shipping costs to the GAGC Program. For example, an online order for several ScripNow ecards is placed on Tuesday along with several physical gift cards. The physical gift cards will be available for pick up on Friday after the next GAGC Order date.

Please contact Tricia Christ at 610-451-1959 or tac317@ptd.net with any questions.

The full GAGC Online Option Policy & Procedures can be found on the Parish website at www.hgaparish.com.
