- Update from Emil Bove **we spoke to the County earlier in the week. Since the low bid came in \$6,486.00 higher than the allocated funding amount, our request to the County to help cover the difference is on the Agenda for the Commissioner's Meeting on May 12, 2022. Once we receive the approval to award the project, we will then send the Award

Letter and Contract Agreements for this project to Derry Construction Company for the full amount of \$81,760. It typically takes Contractors a few weeks to get their Insurance Certificate and Bonds and then send everything back to us. After the Preconstruction Meeting is scheduled and takes place, the start of work date (aka, the official "Notice to Proceed" date) is determined at the Preconstruction Meeting. Derry Construction should be able to let us know at that time, based on their work schedule, when they can begin the work.
