## GLOBAL INFRASTRUCTURE

Founded in 1975, M S International, Inc. is the leading distributor of countertop, flooring, wall-tile and hardscaping products in the United States and Canada. MSI imports materials from over 36 countries while maintaining purchasing offices in India, Turkey, Brazil, China, and Italy.

Headquartered in Orange, California, MSI's nationwide system of 20 state-of-the-art distribution centers and 1 additional sales office is focused on efficiency, making sure the over 35,000 containers we import arrive as expected. Our top priority is providing the highest level of customer service in the industry.

Our worldwide team of over 1,000 employees seeks to provide you with all the tools and information required to promote our products. Our website [www.msistone.com](http://www.msistone.com) contains the most up-to-date information on products, including pictures, room scenes, sizes available, and technical specifications.

Cleveland, Ohio

# OVERVIEW

MSI's mission statement is clear: work with customers to enhance the homes and projects of consumers in North America by providing a wide selection of products that are innovative, affordable, and accessible from a single supplier. With over 100 million square feet of inventory, our scale and efficiency enables us to provide competitive pricing with the quickest delivery times.

Our nationwide sales force encompasses all major channels of distribution including:

- Hard Flooring Dealers
- Architects
- Contractors
- Hospitality
- Mass Merchants
- Fabricators
- Designers
- Commercial Projects
- Hardscaping Dealers
- Soft Flooring Dealers
- Builders
- Building Supply Yards

Our top priority is providing the highest level of customer service in the industry. MSI strongly believes that we are in the information business. Our worldwide team of over 1,000 employees seeks to provide you with all the tools and information required to promote our products. In addition, MSI's state-of-the-art information systems provide you with the most accurate real time information on inventory availability, lot level pictures, status of shipments, and pricing. MSI's ongoing product knowledge seminars help in training your sales force. We also have the ability to offer you advanced merchandising display systems and custom tailored packaging to aid in merchandising. Our website contains the most up-to-date information on our products including pictures, room scenes, sizes available and technical specifications. The website also has a material selector, the most advanced material search engine in the industry. Finally, our website offers the most up-to-date news and information on MSI. We are experts in special projects, sizes, colors and finishes. Order containers, pallet quantities, or cut orders through our nationwide network of distribution centers.

MSI IS A PROUD MEMBER OF THE FOLLOWING ORGANIZATIONS:

# STACKEDSTONEVISUALIZER

[www.msistone.com/ledger-panel-visualizer/](http://www.msistone.com/ledger-panel-visualizer/)

MSI's Stacked Stone Visualizer gives users 2 interior scenes to select from, and 36 stacked stone panels. Stacked stone ledger panels are ideal for accent walls, fireplace surrounds, and many exterior projects. Use this tool to get a feel for how natural stone ledger panels can complement your design project.

A photograph of a modern outdoor pool. The pool is rectangular with a light-colored stone deck. In the background, there is a wall made of dark, textured stone. On top of this wall are several large, black, cylindrical planters containing tall, thin, yellow-green plants. Behind the wall is a dense wall of green foliage with red flowers. The sky is blue. The pool water is clear and reflects the surrounding environment. The overall aesthetic is contemporary and natural.

# Pavers

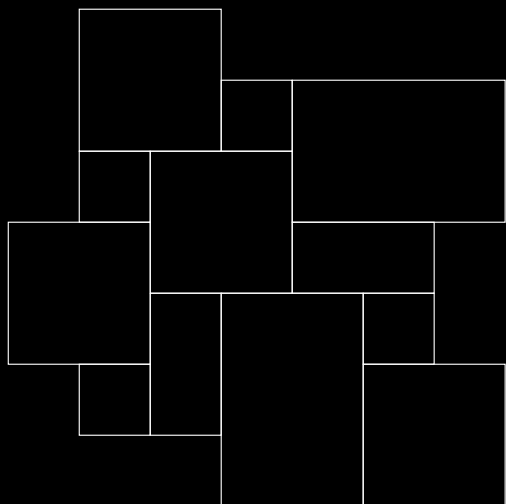

---

The sky is the limit when it comes to designing with pavers. There are many varieties of stone type, shape, and pattern. You can create a rustic hideaway or an ultra-modern zen garden using pavers. Choose from chiseled edge, honed and unfilled, mini patterns and more to add a charming variability to the overall aesthetic.

Have you ever walked on a rustic-looking stone floor of multi-sized tile and wondered what it was? It could have been Versailles pattern tiles. Also called French pattern, it is composed of four different sized tiles and can be used wherever you want an interesting pattern on your floor or wall. With different edge treatments available the pattern can be used in a modern or traditional setting.
