## From the President's Desk:

Renewal frustrations:

To those new to the system, and those who may have forgotten....Our renewal process is very slow. This is mostly beyond our control, as we are at the mercy of the national office. Once you send in your renewal coupon, it can take two months or more to receive your card. The longer you wait to send it in, the longer the process takes. It is what it is.

That said, it has been a wonderful year of growth, learning and new fellowship for the club. I look forward to working with you all going forward. Lets make 2020 the best one yet!

I wish you all a Merry Christmas and a Happy New Year.

-Gary Swope

The annual  
*Christmas Party*  
Tuesday December 17th,  
at 6:00 pm.

There will be a brief meeting followed  
by a meal and blind auction.

*Please bring money for the auction  
and a side dish and/or dessert.*

As winter approaches,  
remember, no persons are to be on  
the ice when the pond freezes over.  
Due to the spring fed currents,  
the ice is unreliable,  
and the danger of fall through  
is too great.

## JUNIORS

*Hi Juniors!*

The children are getting amped up for Christmas. We wrapped 23 gifts to auction off at the IWLA annual Christmas party on December 17th. Don't forget that this meeting starts at 6pm. We will have a small meeting, eat some food and then the children will auction the gifts. Don't forget to bring your wallets. Thank you to everyone that donated supplies and gifts. This past meeting we also talked more about our paracord bracelets. I sent each kid home with some cord and a buckle so they can learn how to do it. We had a generous donation of about 50 or more pallets from Joe Sietz. These pallets are going to be cut up and used to make bat boxes, bird houses, bee boxes and maybe we can get creative and make more. All these pallets will keep the kiddos busy. If anyone is feeling bored one day and wants to work on breaking some of those pallets down be my guest. We are taking the wood we are going to work with and stacking it in the Junior clubhouse and making a pile of wood to burn. Thanks, *Sarah Chenowith*

**IWLA Juniors are our kids.** Ages 8 to 18, our kids are very active! Fishing trips, 3D archery shoots, making bird houses, help in raising trout & pheasants, community service projects and much more! Membership is only \$20.00 per year. Meetings are the 3rd Tuesday of the month, 7pm at the IWLA grounds, Juniors Clubhouse.

Visit our Junior Page for more information:

## TROUT COMMITTEE

I am pleased to report, the trout are doing just fine. They are eating as expected, and the mortality rate is almost non-existent. Other than our annual Gill Lice inspection later this month, we are in a routine feeding mode until the weather re-warms and we gear up for the stocking season.

As always, if you wish to get involved, in any way, give us a shout. Want to help? No experience necessary, any age can help! Questions call Gary 717-968-2544 [president@yorkiwla.org](mailto:president@yorkiwla.org)

**LEGISLATIVE NEWS**

If you are out hiking or hunting next year and see purple stripes on trees or posts, turn around. Beginning in late January, those stripes will mean the same thing as the orange and black "No Trespassing" signs people use to mark their property.

A trespassing bill, dubbed the "purple paint bill," Was passed on Wednesday by Govenor Wolf. Introduced by state Rep. Dawn Keefer, R-Dillsburg, House Bill 1772 would allow property owners to use specialized purple paint to mark their property lines and indicate that trespassing onto the land is not permitted.

That doesn't mean landowners can go to their favorite paint store and pick out the shade of purple that appeals most to them. There are rules. As it's written, the bill would permit landowners to use commercially available purple paints and specifies that painted stripes must be least 8 inches long and 8 inches wide, between 3 and 5 feet above the ground on trees or posts and are placed no more than 100 feet apart.

Why purple? The color won't be confused with markings used to mark underground utilities and surveying. Pennsylvania joins Texas, Illinois, Missouri, North Carolina, Maine, Florida, Idaho, Arkansas, Montana, Arizona and Kansas as the states using purple paint as a No Trespassing option. Arkansas passed the first paint law in the late 1980s.

The law goes into effect in 60 days.
