Emergency Shut-Off Notice

Water shut off on O'Connor Street and Oak Court (not all properties will be affected) due to emergency repairs. Expect to be without water until **1:00 pm today.**

Please do not call the emergency number unless you have a different situation than this particular shut-off, as the water operators will be occupied with the repairs.

Sediment may come out of your faucets. This is a temporary condition. To help clear pipes in buildings and at properties, ask maintenance personnel to run outside hose bib. To help clear the pipes in your unit please run the faucet in your tub first, then run the rest of the inside taps until the water is clear. You may wish to postpone doing laundry until the following day.

The purpose of this notice is to keep you informed of our activities; we understand property management will not have time to notify tenants.

Thank you for your cooperation. We regret any inconvenience this may cause.
