HISTORIC DETROIT APARTMENT BUILDINGS

Art Deco apartments. Exquisite facades. Our tour of Historic Detroit Apartments offers a great overview of downtown history and architecture, from the nineteenth century to the present. We're going into places that are normally closed to the public. Apartment buildings of the past, present and future. Each tells its own story. Each has rich, famous and renowned people who have lived in these beautiful apartment buildings. All are in the downtown Detroit area. They represent a collection of some of the finest and most varied examples of apartment building design in the state of Michigan. The apartments were designed by multiple architects. The buildings, which are mostly five-to-six-story structures, were built to reflect the latest concepts and technology of residential living and were originally designed primarily for middle- and upper-middle-class residents. The architectural styles of the apartment buildings in this district vary greatly. Ranging from exotic styles, such as Egyptian, Spanish Colonial Revival, Mediterranean, Venetian, Tudor and Revival. Enjoy this excursion of historic downtown apartments in Detroit and on its picturesque riverfront. Built in 1910s and 20s, most offer a combination of historic charm and modern flair in the heart of the Villages of Detroit. Includes lunch. With modern comfort, historic charm and unique amenities, we can't wait to show you around.
