## BASEBALL AT MINNEAPOLIS HIGH SCHOOL – A BRIEF HISTORY

By Dale Leech

BASEBALL – the game known as the “National Pastime” after more than 150 years of existence in the United States was finally added to the Athletic Department at Minneapolis High School in January 2007 with approval by the USD 239 Board of Education after petitioning by several MHS student’s parents and supporters in the community. With approximately 2 months remaining before the start of the 2007 KSHSAA Baseball season, a schedule was hastily completed that included mostly games vs Junior Varsity squads of High School programs in the area. However, a Varsity Double-Header late in the season vs. Wilson High School was able to be arranged and the new squad also participated in the Class 2A Regionals for the season, making a season schedule that included 3 Varsity games and 6 Double-Header JV games against area High School teams. The KSHSAA began sanctioning Post Season Baseball Tournaments in 1916, and MHS was able to join 91 years later. A full season including NCAA League participation began in 2008.

MHS has fielded baseball teams every year since 2007, except for 2020 when all KSHSAA Spring Sports Seasons were cancelled due to the CoVid-19 Pandemic. The 2020 squad, coming off a 3<sup>rd</sup> place finish in the 2019 Class 3A State Tournament, had started practice for the 2020 season in mid-March with tentative high hopes because the KSHSAA State Basketball tournaments just two weeks previously were disbanded after Quarter-Finals play due to CoVid-19 Pandemic apprehension. During the one week practice pause for Spring Break, public schools were closed and Spring Sports seasons in Kansas were cancelled, due to an order by the Governor of the State of Kansas in which all Public School buildings were closed for the duration of the 2019/20 school calendar. The Lions would return for the 2021 season and advance to the 3A State Tournament minus several key players from the 2020 squad who had a delayed Graduation in July 2020.

AD Terry Moeckel became the first Lions Baseball Coach and guided the team through its first 3 seasons. Tyler Konrade became the Skipper in 2010 and has guided the team since then with 2 Regional Championships and 2 Final Four appearances in the resulting State Tournaments, resulting in 3<sup>rd</sup> and 4<sup>th</sup> place finishes. Overall, the Lions have a 121W – 199L result vs varsity competition for a win % of 37.8. In NCAA League competition, they have a 45W – 106L mark for a win % of 42.5. They have been outscored by their opponents overall 2,862 runs to 2006. The Lions’ Baseball program has finished with over 50% wins in a season, 4 times.

KSHSAA competition levels for the MHS Baseball team have been in the Classes “AA” and “AAA”.

Home Field for the Lions has been the Rupert Field at the Ottawa County Fairgrounds. Significant improvements have been made to the stadium over the 16 years with improved grass turf and infield along with significant improvements to the Batting cage, the Dugouts, and a new high visibility electronic scoreboard. A new pressbox was also installed behind home plate.
