Department of Wisconsin  
Hospital Bulletin August 2018**

VFW Auxiliary members have been volunteering in hospitals and medical facilities since the organization began in 1914. The Hospital Program was in fact the first nationally adopted programs for the organization.

**Where can we serve?**

- Nursing homes
- Both VA and non-VA medical centers and clinics

**Who can serve?**

Volunteer opportunities are based on the facility where you are volunteering. Some facilities will have a volunteer program with jobs, events and needs.
