

Spay/ Neuter Program

The spay/neuter program is a program managed by the Flin Flon/Creighton and Area SPCA with two main objectives:

1. To reduce the number of unwanted and stray animals in our area.
2. To promote responsible pet ownership through a reduced cost spay/neuter program.

We believe that no dog or cat should remain able to reproduce only because its owner cannot afford to pay for the surgery. The program was developed to help pet owners qualify for a reduced cost to spay or neuter their pet. Only low-income individuals qualify for participation and those requiring the program the most will receive top priority.

Completed applications must be submitted to the SPCA for approval. Successful applicants will be required to pay a reduced spay/neuter fee to the SPCA. Upon receipt of these funds, arrangements will be made for payment to the Northern Vet Clinic in The Pas within a set time limit. Other procedure or medical requirements, whether performed at the same time or not, are not eligible.

Pet owners/applicant responsibilities:

- To arrange for the vaccination of the pet in advance of the application submission. *If vaccines are needed. We will charge \$50.00 for the 2 vaccines. Payment must be paid at the time of the first vaccine.*
- To complete the application and submit it to the SPCA
- Complete 4 hours of SPCA volunteer hours. (This must be done before Spay/neuter certificate is issued.)
- To participate in an interview with a designated SPCA official and to provide proof of income status (notice of assessment from previous year's tax return) or other special circumstances which suggest eligibility for participation.
- To pay the reduced cost fee to the SPCA
- To schedule the appointment for surgery and to make transport arrangements.
- To comply with the time limit indicated.

Spay/Neuter Application

Date: _____
Owner's Name: _____
Address: _____ City: _____
Province: _____ Postal Code: _____
Phone number: _____
Pet's name: _____ Dog Cat
Breed: _____ Colour: _____
Age: _____
Surgery: Spay Neuter

To ensure review of your application, please provide us with confirmation of your annual household income by including a NOTICE OF ASSESSMENT you have received from Revenue Canada from the previous tax year.

Annual Household Income: _____

Please enclose payment of \$100.00 for dog surgery or \$75.00 for cat surgery. The full amount paid will be returned if you are not approved for assistance.

By submitting this application, I understand that completion of this application does not guarantee that I will be approved for the funding and I also certify that I have been completely truthful and have not concealed or withheld any information. I agree to complete 4 hours of volunteering that is required before the spay/neuter certificate issued.
