How does it work?

Students REFLECT on a common theme and use their imagination to CREATE original works of art.

All participants CELEBRATE and share their artistic works with their family, school and community.
A Little Bit of History

• National PTA Reflections is PTA’s cornerstone arts program
• Developed in 1969 by Colorado’s PTA President Mary Lou Anderson to encourage students to explore their talents and express themselves
• Reflections has inspired millions of students to ponder a theme and create original artwork.
• Each year, students in Grades Pre-K – 12, are recognized for bringing the theme to life in the following six categories: dance choreography, film production, literature, musical composition, photography and visual arts (including 3D Art).
