

2022-2023 HCCPTA Reflections Program

How does it work?

Students **REFLECT** on a common theme and use their imagination to **CREATE** original works of art.

All participants **CELEBRATE** and share their artistic works with their family, school and community.

A Little Bit of History

- National PTA Reflections is PTA's cornerstone arts program
- Developed in 1969 by Colorado's PTA President Mary Lou Anderson to encourage students to explore their talents and express themselves
- Reflections has inspired millions of students to ponder a theme and create original artwork.
- **Each year, students in Grades Pre-K – 12, are recognized for bringing the theme to life in the following six categories: dance choreography, film production, literature, musical composition, photography and visual arts (including 3D Art).**
