

February 4, 2024 Taylor Lake Village Park

October 2023

Dear Members of the Community:

Walk on the Wild Side is a Family Fun Walk benefitting the Living Materials Center (LMC) at Seabrook Intermediate School in Clear Creek ISD. The LMC houses over 50 different species of animals that are incorporated in classroom education by CCISD teachers. Through outreach programs and volunteer opportunities, the animals of the LMC provide a unique learning opportunity for all CCISD students.

Fourteen years ago, two sixth graders at Seabrook Intermediate started this now annual event as a service project for Lone Star Leadership Academy. These young men have now graduated from college and Walk on the Wild Side continues! Thanks to these students & the support of the community, we continue to enjoy the overwhelming success of this event and support for the LMC!

We are asking our community businesses to partner with us by sponsoring our event and/or setting up as a vendor. Your support will ensure the continued success of the LMC Programs and the excellent care of the animals and quality education programs for which the LMC is known & recognized, as well as add to the experience of the event. We respectfully ask that your sponsorship be submitted by **December 21, 2023**.

The Walk continues to grow! We consistently enjoy the support of 150—250 participants, particularly CCISD families. All sponsors will also be recognized leading up to and at the event.

Sponsorship Levels:

Tortoise Level, \$1000 donation:

- largest logo on event t-shirt, largest recognition on banner, recognition along 5K route, vendor space, 4 event t-shirts

Python Level, \$500 donation:

- large logo on t-shirt, large recognition on banner, recognition along 5K route, vendor space, 3 event t-shirts

Chinchilla Level, \$250 donation:

- medium logo on t-shirt, small recognition on banner, vendor space, 2 event t-shirts

Frog Level, \$100 donation:

- small logo on t-shirt, small recognition on banner, one event t-shirt

Thank you for your support!!

Sheryl Locke, Walk on the Wild Side Chairperson

Ande Smith, Living Materials Center Manager
