Ski Banz

For outdoor enthusiasts!

Ski Banz Goggles offer valuable eye protection for every winter activity from skiing to sledding to the occasional snowball fight.

These professional grade ski goggles are made of durable shatter resistant polycarbonate for optimal safety, are helmet compatible and offer 100% UV protection so kids can hit the slopes in safety. Ski Banz have a double-vented lens to create a thermal barrier, an excellent seal and an industrial strength P80 anti-fog coating, to prevent fogging without hindering optics.

The citrus lens transmits 33% of visible light which makes Ski Banz suitable for densely overcast to bright sunlight conditions. With a super soft contour foam lining and extra wide band for comfort, Ski Banz comply with Australian standard AS/NZ1067 for UV protection and AS/ NZ1337:1992 for impact resistance.

The Banz sleek, sporty design comes in three colours, with a carry case that doubles as a cleaning cloth.

Available sizes:

0 – 2 years old
2 – 5 years old
