We are located at the corner of Perry and Belsay Roads in the Riverbend Plaza

**We can work with almost any student's schedule.
Making up a class is not a problem – just ask us!**

- **Price:** Segment One is \$325 including all drives and classroom instruction, payable by cash or check. Flexible payments possible. Segment Two is \$40, and payable in cash the first night of class.
- Six hours of behind-the-wheel instruction are required for Segment One. Students will schedule these one-hour sessions with their driving instructor. Three of these hours must be completed by the time classroom instruction ends. Four hours of passenger observation are also required. All requirements must be completed within 6 weeks.
- Classes run continuously so that when one class ends, a new one begins. Our course and schedule complies with State of Michigan regulations which total 24 hours of classroom instruction done in 12 classroom sessions for Segment One plus drive time, and 6 hours of classroom instruction for Segment Two – with no more than 2 hours classroom instruction per day.
- Reserve by phone, or on our website www.allsafedriversed.com. Office hours are Monday through Friday, 10 am until 2 pm.
- The student is eligible for Segment 2 after they have had their Learner's Permit for at least 3 months and driven at least 30 hours, 2 of them at night. Once the student has had their Learner's Permit for at least 6 months and driven a total of 50 hours, 10 of them at night and have taken Segment 2, they are eligible for their road test. Once they pass their road test and turn 16, they can get their license.
