

## Instructor: Water & Rope (INS: WR)

---

This is the most challenging instructor course, but on successful completion the new instructor will be able to teach **SRT1, SRTA, TRR: TL, WRT** and **WRT2**, at the awareness, operations, and technician level.

Upon graduation from this instructor course you will enjoy membership in an elite group of individuals known worldwide for their technical expertise and instructional abilities. As a member of the Rescue 3 family of instructors, you will become part of a network with an ongoing commitment of keeping in touch with the current trends and techniques important to contemporary professionals in the field.
