SIP N' LEARN

Wednesday, February 24th @ 7:00 pm

Sensory and Motor Breaks with ABC Pediatric Therapy

[Join us via Zoom](#)

Meeting ID: 494 502 5791

We know that winter can be tough, especially when it's too cold to go outside but our kids have ALL the energy!

Join us for a virtual meeting with ABC Pediatric Therapy! A Physical Therapist will walk us through a variety of sensory breaks, motor breaks, and 'brain' breaks for our young children. Bring any questions and be ready to add some tools to your parenting toolbox!
