

Part-Time Teachers' Attendance at Pro-D Activities: Request for Pay Form

If a part-time teacher chooses to attend a Professional Development (Pro-D) activity on one of their non-teaching days, they may pay themselves the current TTOC rate for that day from their Professional Development fund. To qualify, the activity must occur on a day when school is in session.

*If a part-time teacher is explicitly requested by their principal/supervisor to attend a Professional Development or in-service activity on one of their non-teaching days, please refer to Article C.23.9.a in the Collective Agreement.
