QT QUICK TAKEDOWN LIGHTNING FAST

Put together and take apart easily, no tools. A Shakespeare exclusive: positive alignment of limbs and handle because of wedge type design; locks into position. Ultimate in take-down bows, perfect alignment. The "Q.T." bow, with its wide-limb design for stability and lightning-fast speed, has extra smooth draw and super penetration. This precision built bow comes in three lengths: 56, 58 and 60 inches. (Right hand only.) Included with bow is a dacron bow string.

Easy, Quick Take-Down

Lets the archer put it together or take it apart with no tools.

POWER PACKED **SUPER** X-32 **NECEDAH** With **WONDERWOOD® RISER**

Shakespeare took extra power and smooth action, then packaged both in a fast, efficient 54" bow that's a superb hunting bow from tip to tip. The deep down secret is in Super Necedah's broad bow limb design. But there's more: Like honest good looks; limbs constructed of rich, midnight black fiberglass; duo-flex design; and at the center of things, a new, sculptured handle constructed of Shakespeare's exclusive **WONDERWOOD®** — specially impregnated hardwood that keeps weather and wear out, locks strength and beauty in. Comes complete with Dacron bow string.

THUNDERBOLT ALUMINUM ARROWS

Designed for Big Game

A42-F

Famous Thunderbolts now feature Scru-Ez adapters and low glare anodized shafts. Change easily from hunting practice points to hunting heads, even in the field. Points and heads identical in weight for consistent shooting on target or game.

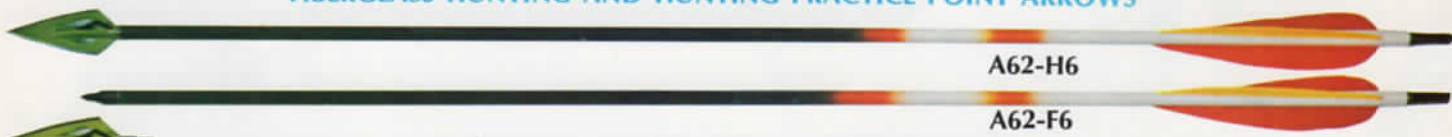

Visa-fletch — crest and fletching highly visible to hunter, camouflaged to game. Interchangeable auxiliary blades.

Select 29" or 31" lengths and 40-50 (2016) or 50-60 (2018)

THUNDERBOLT HUNTING PRACTICE POINT ARROWS

Thunderbolt hunting practice point arrows excel in small game shooting. And they're identical in action and weight to Thunderbolt big game arrows, insuring hunters their field practice will pay off during hunting season.

FIBERGLASS HUNTING AND HUNTING PRACTICE POINT ARROWS

A62-H6

A62-F6

True shooter, strong, dependable. Equipped with Scru-Ez adapter for fast, in-the-field change from hunting practice points to hunting heads. 29 or 31-inch AMO for bows with 40- to 55-pound draw weights.

NOTE: Scru-Ez adaptor No. M98 coupled with M73 Wasp hunting head makes another perfect combination. See accessory section for additional Scru-Ez accessories.

PACKAGED THUNDERBOLT ALUMINUM HUNTING ARROWS

No. A42-H* — One dozen arrows per pack

A72 series is packed one dozen per package. A42 series comes in half-dozen or dozen pack. A62 available in six-pack only. There is also a bulk pack of target arrows available.

QUALITY CEDAR ARROWS FOR FIELD, TARGET OR HUNTING

SHAKESPEARE CEDAR ARROWS

Select Port Orford cedar arrows come in styles for hunting, hunting practice or target use, as follows:

No. A72-H — Cedar hunting arrows come with proven hunting heads. Shafts are olive drab with vibrant color fletching, visible to the archer but camouflaged to game. Available in either 29- or 31-inch lengths. Custom selected to shoot out of bows from 40- to 50-pound draw weights. Hunting arrows come packed one dozen per carton.

No. A72-F — Hunting practice point cedar arrows come in either 29- or 31-inch lengths. Custom selected to shoot out of bows from 40- to 50-pound draw weights. One dozen per carton.

No. A72-T — Cedar target arrows come in 28-inch length and are custom selected to shoot out of bows from 25- to 35-pound draw weights. One dozen per pack.

No. A72-HF — A mixed dozen of cedar arrows: six with hunting heads and six with hunting practice points. Allows hunter to practice with same arrows used in hunting. Available in 29-inch length only, for bows from 40- to 50-pound draw weights.

BULK CEDAR TARGET ARROWS

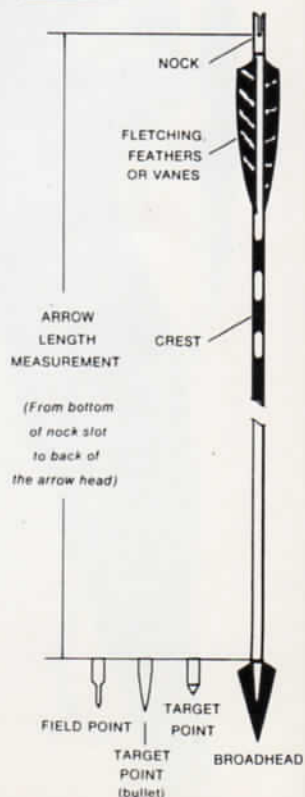

No. A90-T — This is a gross pack of cedar target arrows highly recommended for school and recreation programs. Inexpensive practice arrows have fully painted shafts and contrasting sprayed crest. Shafts are 5/16-inch and arrows are 26 or 28 inches long. Points are knurled and feathers are 2½ inches. Specify 26" or 28" with order.

COMPLETE ARCHERY SETS

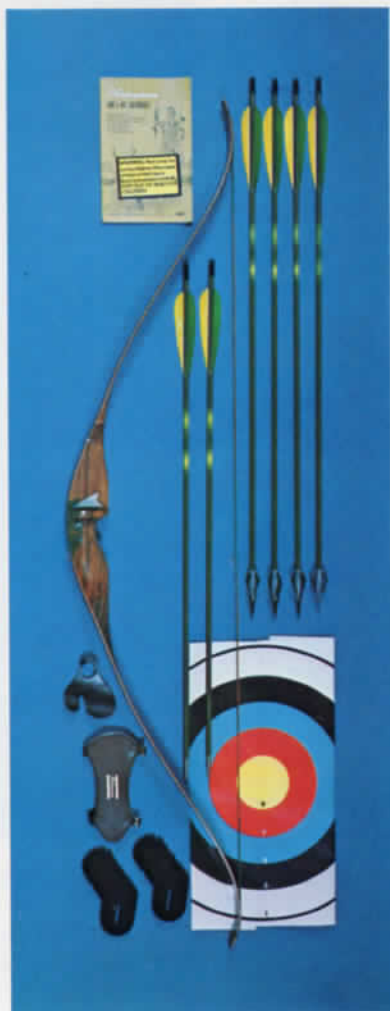

KX28-H

New NECEDAH Hunting Set

Shakespeare's famous Necedah bow gives this complete hunting set a punch any hunter will appreciate. Comes with matched accessories. Necedah's high quality delivers everything the hunter desires. (Selected by our expert hunting staff.) Includes Necedah X28 bow in 45-pound weight, Dacron string, instructional booklet, four Port Orford cedar hunting arrows, two hunting practice arrows, four-color target face, Shakespeare bow quiver, shooting tab and arm guard.

No. KX28-H — Complete Necedah Bowhunting Set

KX18-H

SIERRA Hunting Set

An excellent, low-cost bowhunting set complete in every detail. Features the X18 Sierra Bow in 45-pound draw weight. Includes Dacron bow string, four big game arrows, two hunting practice arrows, Shakespeare's EZ bow quiver, arm guard and shooting tab. Also included is a four-color target face and the "ABC's of Archery" instructional booklet.

No. KX18-H — Complete Sierra Hunting Set.

SIERRA Target Set

For the young archer, the new archer—the light and durable 52-inch Sierra bow in a set that brings excellence to backyard archery fun. This set contains all these things: 25-pound Sierra bow, Dacron bow string, side quiver, shooting tab, arm guard, six target arrows of Port Orford cedar, four-color target face and an instructional booklet. This set gives you a great way to get started in archery — inexpensively.

No. KX18-T Complete Sierra Target Set.

KX18-T

UNBREAKABLE FIBERGLASS BOWS

Shakespeare has applied its acknowledged superiority in the use of fiberglass to produce the strongest, smoothest shooting fiberglass bows available. Strength and action come from parallel glass fibers that run from tip to tip and from pressure molding that adds density and backbone to the finished product. Shakespeare quality — and low prices — see them both at your Shakespeare Archery Dealer's Store.

No. B8 Rocket Bow

A great bow for teaching the fine art of archery. And an excellent choice for the archer looking for quality at a budget price. Color is green; bow has semi-pistol grip for right or left hand use. Comes with braided Dacron center served string. Draw weights available are 20, 25, 30, 35, 40, and 45 pounds. Shipping weight is 1 pound.

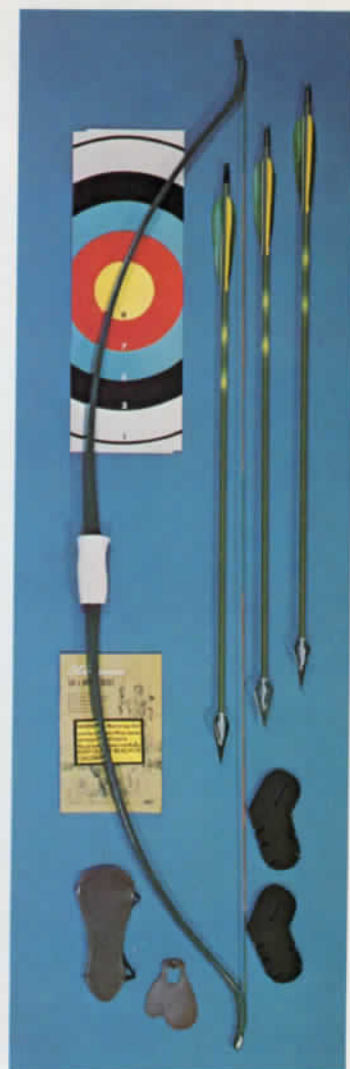

No. B9 Fury Bow

A 50-inch bow in red fiberglass. White plastic dual grip allows right or left hand use. Draw weight is 15 pounds. Comes complete with Dacron string. Shipping weight 14 oz.

No. K8-B Adult-Teen Target Set

This Shakespeare set proves that family archery fun is available at a low, low price. Complete set contains B8 Rocket bow in 25- or 35-pound weight, four 28-inch cedar target arrows, side quiver, arm guard, shooting tab, target face and instructional booklet. (Specify 25- or 35-pound draw weight.)

No. K8-BH Adult Hunting Set.

A complete hunting set featuring a 45-pound Rocket bow, three hunting tipped arrows, new EZ bow quiver, arm guard, tab, instructional booklet and four-color target face.

No. K5 Lil' Archie Kid's Set

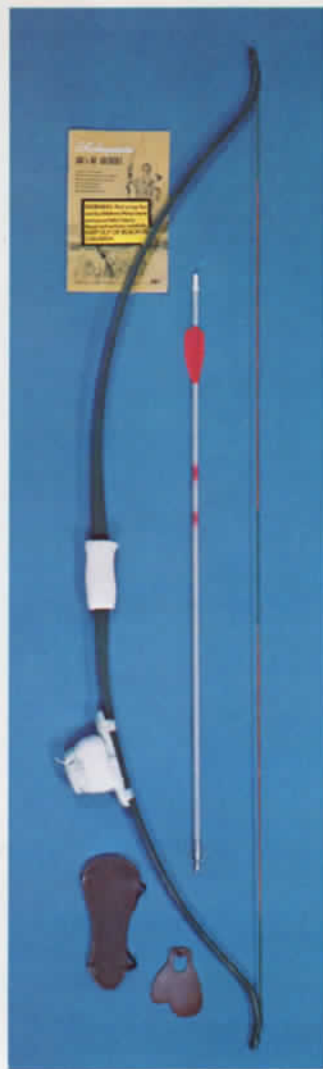

Great gift for the little archer four to eight years old. Carded set contains 36-inch unbreakable fiberglass bow, (draw weight 8 pounds). Comes with two arrows with suction cup heads. Card itself makes up into self-standing target with bullseye on one side, wildcat on the other.

No. K9 Sub-teen Fury Set.

Shakespeare's K9 means even young shooters can have the feel of a well made bow. Recommended for Scout Merit badge work. Contains the recurved B9 Fury bow in 15-pound draw weight, four cedar arrows, saber belt quiver, target face and instructional booklet.

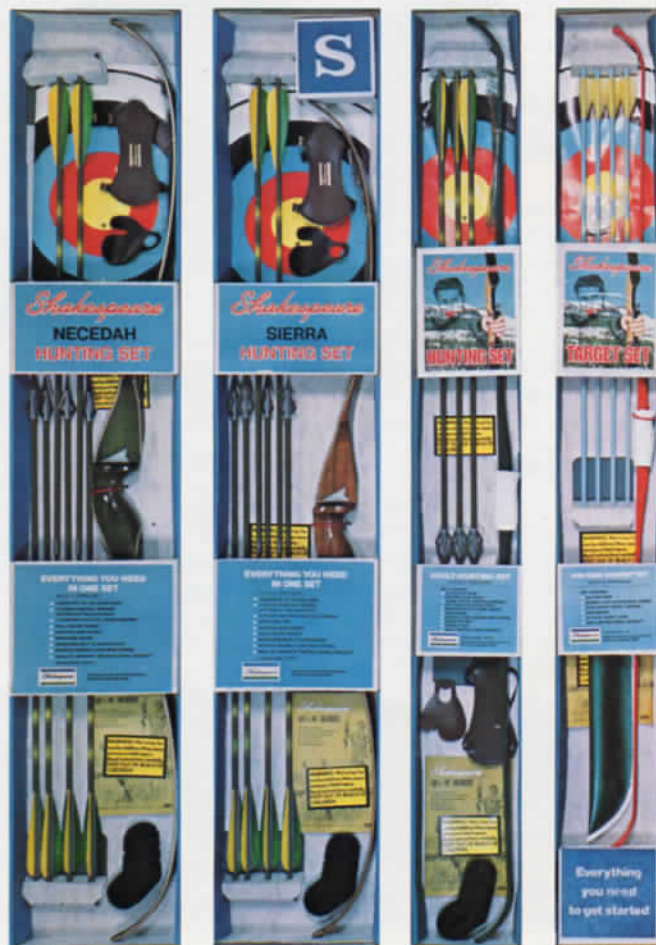

No. K8-F Rocket Bowfishing Set.

A complete set designed with an eye on America's growing army of archer-fishermen. Contains easy-to-carry 56 inch glass bow, bow reel that tapes to bow, 50 feet of famous Shakespeare braided line in 70-pound test, 30 inch barbed fish arrow, arm guard, shooting tab and instructional booklet. Rocket bow is 45-pound draw weight.

Shakespeare Sets, Attractively Display Packed

All sets shown on page 7, 8, and 9 are attractively display packed. Look for these attractive displays at your local dealer.

QUALITY LEATHER GOODS

We're particularly proud of our complete line of leather and expanded vinyl products. They give archers long and dependable service.

L69

No. L69 — Deluxe Back Quiver

Made of soft, elk-tanned moccasin leather, quiver is designed with a full zipper pouch and has a place for your pencils, knife and files. Has the rugged quality and design built into all Shakespeare leather goods.

No. L66 — Deluxe Side Quiver

Soft, elk-tanned moccasin leather is used to make this fine accessory. It has a full zipper pouch, pencil pocket, cigarette pack holder and score card clip. Belt clip and adjustable straps help make it a quiver that's a pleasure to wear under any conditions.

No. L65 — Holster Quiver

Combines all the most wanted elements: snap-on belt loop, pencil holder, score card clip, roomy accessory pouch—plus quick-draw tie-down straps for firm, secure support.

L65

No. L68 — Center Back Quiver

A sturdily constructed back quiver with full zipper pouch. Knife, pencil and file pockets are made of mahogany brown expanded vinyl material. Also equipped with handy accessory straps. Quiver features "no struggle" harness that slips over the arm.

L68

L66

L64

No. L64 — Vinyl Back Quiver

Has a full zipper pouch and rugged expanded vinyl construction. Hardened plastic quiver bottom gives extra long life.

No. D202 — Economy Back Quiver

Top value in this expanded vinyl quiver that holds 12 arrows in the comfortable back position. Rugged construction includes hard reinforced plastic base.

D202

No. L59 — Side Quiver

An outstanding 18 inch expanded vinyl quiver with belt clip and reinforced bottom construction. Holds 12 arrows.

L59

L56 — Side Quiver

A 16-inch model in expanded vinyl that holds 12 arrows. Belt loop for comfort and stability.

L56

L52

No. L52 — Master Glove

It fits either right or left hand and has adjustable wrist strap. Features singleseam comfort construction of elk skin with open end finger design. Available in Extra-large, Large, Medium and Small.

L53

No. L53 — Deluxe Glove

Made of expanded vinyl with elk skin fingers, it fits either right or left hand and has adjustable fit. Open end finger design for comfort. Sizes: Extra-Large, Large, Medium, Small.

D502

No. D502 — Sierra Glove

Comfort fit design in soft cowhide and vinyl with open end fingers and V-seam construction. Sizes are Large, Medium, and Small. Great in combination with No. L41 Sierra Arm Guard.

Shakespeare

TABS • ARM GUARDS BOW CASES

L38

L46

D222

D223-C

D224

D223

L41

No. L38 — Deluxe Tab.

One size fits all. Ideal for the bow hunter because it can be used over a pair of warm gloves. Adjustable elastic straps for perfect fit. Also popular with competitive archers.

No. L46 — Double Tab

Made of top grade expandable vinyl material. Great for bow hunters and competitive archers. New design in finger protection. Available in Large, Medium, and Small sizes.

No. D222 — Necedah Arm Guard

Named for our famous hunting bow, this arm guard features three straps for use with hunting clothing. Quality expanded vinyl material construction and has a reinforcing stay.

No. D223-C — Camouflaged Arm Guard

Green and brown camouflage vinyl material, interior reinforcing stay, make it a natural for hunting.

No. D224 — Vented Arm Guard

Designed for cool comfort and completely adjustable with elastic straps and hooks. Made of long-lasting expanded vinyl with three interior stays. Will not lose its shape.

No. D223 — Custer Arm Guard.

Dual usage arm guard for hunting or target shooting. Made of expanded vinyl with interior stay.

No. L41 — Sierra Arm Guard

It's made of heavy duty vinyl material and like our Sierra bow is excellent for beginner or expert. A perfect match with our Sierra shooting glove (No. D502). Interior steel stay helps hold its shape and adds protection.

L39

L15

L30

No. L39 — Deluxe Hunting Case

Newly designed and enlarged, this case will hold bows up to 62 inches. Can take one strung bow and three unstrung. Large pocket holds accessory items. Made of mahogany brown expanded vinyl material.

No. L15 — Vinyl Bow Case

Holds bows up to 66 inches. Expanded vinyl material in mahogany brown color.

No. L30 — Bow Case

Holds bows to 58 inches. Made of sturdy mahogany brown expanded vinyl with reinforced bottom.

L44

No. L44 Hunting/Training Arm Guard

Extra-long arm guard has three straps with elastic bands. Designed for coverage in the most important areas, yet it's light and durable.
