**Happy Halloween**

**Rules for a Safe and Happy Halloween!**

1. When it appears that you have killed the monster, NEVER check to see if it's really dead.
2. Never read a book of demon summoning aloud, even as a joke.
3. Do not search the basement, especially if the power has gone out.
4. Don't invite the Invisible Man to your Halloween party. He won't show up.
5. Beware of strangers bearing strange tools. For example: chainsaws, staple guns, hedge trimmers, electric carving knives, combines, lawnmowers, butane torches, soldering irons, band saws, or any devices made from deceased companions.

Q: How do zombies celebrate Halloween?  
A: They paint the town dead!

~ Take a deep breath. It calms the mind ~
