

Quick Facts

Elementary

Biblical Principles – Principles of honesty, integrity and accountability are taught as a foundation for all relationships. Each day we begin our classes with a lesson from the Bible.

Grades – Our Elementary division has classes for Kindergarten through Fifth Grade.

Curriculum – Our school uses the A BEKA Curriculum. The curriculum is planned to meet the needs of the average to above average student. Students will receive the foundation to prepare students academically to meet the challenges for all future learning.

Staff Credentials – All our elementary school teachers either have their degrees or are working toward their degrees and have experience in the classroom.

Hot lunches are available through Saltwater Catering for \$3.50 a day. (see menu) If a child brings a cold lunch, we recommend that you use a freezer cold pack for food safety.

Snacks – Students staying for the aftercare program are given an afternoon snack.

Class size – Class sizes are kept small in order to maintain a good teacher/student ratio. Average student/teacher ratio is twelve to one.

Tuition is set at an annual rate, but can be paid either monthly or weekly. Because tuition is a prorated annual fee, there are weeks when we are closed that tuition payments will still be due.

Communication is emphasized at each grade level. Weekly progress letters, quarterly progress reports, and mid-term grades are all used to keep parents informed of the grades and behavior of their child. Parent/Teacher conferences are held as needed.

Discipline – Consistent consequences for unacceptable behavior is administered with love and firmness. LCS uses the demerit system. Suspension and expulsion are used when necessary.

Grading Scale

93-100	=	A
85-92	=	B
77-84	=	C
70-76	=	D
69-Below	=	F
