

Hi, my name is Carlo and I'm a 15.5 pound, 8-year-old Gold coloured shorthaired Dachshund (Fine! Technically I'm a "Red", but I prefer "gold" as it matches my heart...)

I am a very well mannered Doxie (so your shoes, purses and other leather goods are safe) who loves to run (and run, and run...), play (I'll fetch pretty much anything) and CUDDLE on you, next to you or across from you. I don't care, as long as you are there I'm happy to be nearby (which made my foster parents think I must be a shrunk down Labrador...)

I am crate trained (I know, I know, it's a must when you leave the house), but I much prefer being with you.

I get along great with other dogs (my foster siblings can vouch for that), even if big dogs sometimes intimidate me. My hunting instincts dictate that rodents and other small critters are probably NOT suitable companions for me, and after having been attacked by a cat, I no longer trust those insidious beings.

And yes, as is the norm with the nice folks at Tiny Paws Dog Rescue, I am in perfect health, Microchipped, Vaccinated and Neutered.

So, if you don't have cats and you are an active retired human, or a couple, or a family with human puppies, I am looking forward to becoming your perfect energetic little snuggle buddy.

I'm looking forward to getting the chance to melt a big spot in your heart (so I can occupy it),

Carlo.

Carlo's adoption fee is \$350
