### Secretary Minutes As of June 3rd, 2009.

The GSSN met at the American Legion Hall in Henderson, NV on Wednesday June 3rd, 2009. President Nic Johnson opened the meeting which started at 6:35 Pm and led the Pledge of Allegiance. 45 signed in and there were three visitors. Nic asked if anyone had found gold, and some vials were passed around.

Nic asked members about the minutes of the May 6th meeting which were published in the May 22, 2009 High grader; and Fred Zajac made a motion that such minutes be approved, with Don Adams seconding the motion. There was no discussion and the motion was carried with unanimous approval.

Next Nic introduced Joyce Johnson, the new GSSN Librarian—as well as Dara Thaler, the new GSSN treasurer (who had been appointed at the May 20, 2009 executive board meeting). She gave a brief treasurer’s report. The group learned that on the GSSN website there is a video which members might want to check out. It was also announced that outings would not be held in June, July, and August, because of the heat.

Next Nic addressed the board recommendations regarding amendments to the bylaws and asked the members to consider these suggestions which had been published in the May 22, 2009 High grader newsletter.

Regarding Article 1: Name/purpose: Doug Parker made a motion to approve changing Article 1 by replacing its wording with A and B as published. Don Adams seconded the motion. After a brief discussion the motion was approved unanimously.

Nic called this meeting to order at 6PM. He said that Gordon Eggleston had contacted him relative to selling some of his gold. He asked the group for some recommendations and Morris S. made a motion that we ask Gordon to bring his gold to our next meeting, at which time a committee will weigh the gold and decide how much to propose paying Gordon for the gold. Fred seconded the motion and after a brief discussion the vote was unanimously in favor of the motion and it was so carried. Nic then announced that Janet Schelling has volunteered to do a panning demonstration at the next meeting and asked the board if that would be agreeable. The board agreed that it would be o.k. and Nic will follow-up regarding this. He then circulated a copy of the revised Bylaws for the board to review prior to publishing same in the Highgrader newsletter. The board was in agreement to the revised By-laws with one exception: Joyce Johnson made a motion to amend Article 3, section E. to with the addition of the following sentence: “ After a 30-day grace period, all member privileges will be revoked relative to voting privileges and using the organization’s claims.” Fred seconded the motion. There was discussion of this Article and then the voting was unanimously in favor of approving the motion. The amended section E of Article 2 will be included with the revised Bylaws to be published in the Highgrader newsletter for consideration by GSSN members.

At this time Dara T. gave a brief treasurer’s report and said that since the bank statement had just arrived she will have an up-to-date report at the July 1, 2009 meeting. Nic then talked about the possibility of the education committee consider the possibility of a wild life presentation and this will be followed up . He also mentioned the possibility of a presentation on GPS. Morris S. and John Bronstein will get together about arranging this.

Next, Fred Z. announced that the audit committee had audited the financial books (which Barre Kennerley had turned over and which were given to Dara Thaler) and said that everything was correct and that an exact recap was reached. Afterwards the recently organized merchandise committee discussed their research relative to t-shirts and caps. Jeff Harper said the group would continue their research and would report back on this at the next meeting.

Nic then brought up a problem at the claim site regarding the burning of some Joshua trees. The group discussed this, and it was decided that Nic would call the BLM to notify them of this matter. At this point Fred made a motion to adjourn the meeting which was seconded by Morris. The meeting was adjourned at 7:10PM.

### A Side Note.

I, Nicolas Johnson, your President of Gold Searchers of Southern Nevada, Inc. would like to inform members about our claims.

I went with some new friends out to the claims to show where they can prospect and know how to get there. We first went to the 20 Acre and did a little Metal Detecting along with some sampling (Waiting to here if there was a little gold in the bucket). My friends found mostly other metals within the ground (metal wires, shotgun lead slugs, and .22 bullet shells) but our hopes were high on finding Gold! We went to the Section 34 but only drove through on the road to see the dirt road leading to the center of the claim. After looking we left to the Dog Gone / White Hills claim, it was a beautiful day to be out having fun Playing in the sun! Upon Arriving at the Dog Gone / White Hills Claims I noticed that someone had been burning in the water trough that was at the BBQ area and found out that three trees had been burned on one side and that one Joshua tree was pulled from the ground and laying next to the water trough. I have never been so disgusted in my life for what happened there. One tree was started on fire at the base of the tree and flamed up the one side of it, as with another tree that was started the same way. This reflects on the club, especially on how we conduct ourselves at the claim(s), each member that prospects on the claims does have a responsibility to have respect towards the land we prospect on and do our part to help. All I ask is if you find anything to report it to the Executive Committee so that we may deal with this appropriately.

If any member has any responses please, mail us at the address that is on the application or send an email from the website [www.goldsearcher.com](http://www.goldsearcher.com).

Sincerely,

Nicolas Johnson  
President of Gold Searchers of Southern Nevada, Inc.
