

HOMESHARE Program

An innovative solution to aging in place AND affordable housing!

Are you:

- A *Senior* who wants to age in your own home and have a room to rent?

OR

- A *Renter* looking for an affordable shared living situation?

Sage Generation's Homeshare program partners seniors who want to stay in their home with housemates willing to provide services in exchange for a reduced rent.

For more information and to request an
application for the Homeshare program
