

Norsemen Performing Arts Parents Association

2019-2020 Membership Form

The Norseman Performing Parents Association is a volunteer group, open to all, dedicated to promoting the performing art programs at Northern Valley Regional HS at Demarest. Membership is comprised of parents of current students, alumni, and other supporters of the Music and Theater Departments.

Primary activities are fund raising to: support the yearly scholarship awards, provide grants for music and theater study, help the students in their own fundraising activities, commission new works for our student ensembles, bring in guest artists to work with and speak to our students, and support special initiatives such as "Prelude to Piano" which resulted in the school acquiring a new world-class Steinway grand piano.

In addition to fund raising activities, the NPAPA takes a very proactive role in representing the best interest of the music and theater programs to the school and the community. As an advocate of the musical arts within the Northern Valley educational system, you can be assured of a voice that is heard. Membership is through donation. Basic membership suggested donation is \$25 per family. Gold level membership is \$50 and Platinum level membership is \$100 or more. We need your support at a level with which you are comfortable.

Most important is your donation of time. We ask that everyone get involved, even if it is in a small capacity. You will be contacted when volunteers are needed. Attending the few meetings we hold each school year will help the Norsemen Performing Arts Parents Association develop new ideas and continue to grow.

Cut Here and Return Bottom Portion OR you may register ONLINE at: www.nvdmusic.org

Please make your check payable to: **NORSEMEN PERFORMING ARTS PARENTS ASSOCIATION**
