Re: Dues Increase

At the January 2015 DPHC Board Meeting, It was unanimously agreed upon by the Board of Directors and with favor from the “General Members” in attendance to authorize a dues increase.

Effective May 1 2015, the Detroit Parrot Head Club will increase the “Annual Dues” to \$20 per year, per member. We expect the increase will allow us to continue providing monthly live entertainment at our Happy Hours, while maintaining our Charity Commitments. Remember, 100% of your dues go either to charity or directly back to membership.

Here’s the good news...For those members that renew between May 2015 and December 2015 can save \$5.00 by renewing early. Your Anniversary Date will remain the same. You will have until April 15, 2015 to pay your 2015 dues. So, if you normally renew December 2015, but you renew before April 15th, 2015, you will not see the increase until you renew December 2016.

Questions can be directed to any Board Member.

Keith Vohwinkel, President
Carol King, Vice President
Doug Nichol, Secretary
Kim Buffa, Treasurer
