

## **EXPENSE AUTHORIZATION AND REIMBURSEMENT**

The School Committee recognizes that some Department business expenses involve initial payment by a school system employee or a Committee member and that such expenses may qualify for reimbursement. The purpose of this policy is to promote financial accountability by requiring prior authorization of expenditures and the establishment of procedures for the reimbursement of expenses.

### **Authorization**

All employee expenses to be reimbursed must be pre-approved by the employee's supervising administrator.

All Committee member expenses to be reimbursed must be approved by the Committee prior to the member's incurring the expense.

Expenses to be reimbursed may include transportation, lodging, registration fees, required materials, parking fees and other reasonable and necessary District business-related expenses.

### **Reimbursement**

All requests for reimbursement must be itemized on an official CIS form. Receipts for reimbursable expenses must be attached to the reimbursement form.

Automobile travel will be reimbursed at the current IRS mileage rate. Reimbursement for commercial transportation will be based on coach/economy fares. Receipts are necessary for reimbursement for airfare.

When circumstances dictate that a rental car is necessary and/or the most practical approach to travel, the least expensive car that will meet the purpose should be rented.

### **Unapproved Expenses**

School employees and Committee members who incur expenses that have not been approved in advance as required by this policy will be personally accountable for such expenses.
