

## **Mediterranean Cuisine**

*“A visual delight, exquisitely delicious, and good for you-----It’s no wonder that Mediterranean Cuisine is so popular. In fact, Mediterranean fare is healthful enough to have inspired a wealth of scientific research.*

*Mediterranean cuisine is built around fresh, wholesome fruits, vegetables, whole grains and breads, legumes, seafood, nuts and seeds and olive oil. Because we are talking about area that spans the Mediterranean Sea---Including Turkey, Greece, Spain, Southern Italy. There are a wide variety of dishes, influenced by everything from Middle Eastern yogurts and flatbreads.”*
