Cameras are installed at the beach area.

Town is waiting for specs, on the bathrooms at the beach, from AES.

NYSERDA GRANT- Town is currently advertising to accept bids for the Propane Gas heating system for the Community Center.

There is an informational meeting tonight at 7 PM at the Community Center regarding the new draft of the Land Use Code. August 25th will be the question and answer night.

Ed Orsi would like a couple of fans at the water plant to push the heat down and circulate the air. Ed got some quotes from Systems Control for a 56 inch fan \$5,975. from Mars Mechanical for a 56 inch fan \$5,635 and from Greco Electric 56 inch fan was \$5,000. The reason the quotes were high was because the ceilings at the water plant are so high. Supervisor Preston will consult with Wayne at AES and talk to Ed.

Lacrosse Organizers are considering coming to Wilmington to play next year and are looking at the fields owned by Joe and Merri Peck off Route 86. The Organizers mowed the area and the Town Parks Dept. will cut the grass shorter in hopes they will hold the games here next year and bring business to town. Joe and Merri are leasing the land to the Town for \$1.00 per year. Supervisor Preston will sign the agreement that involves the Town.

Shirley Lawrence is retiring in June of 2011 The Town Board will advertise for a replacement in October 2010 So that person can start being trained January 1, 2011.
