ARTS & CRAFTS MARKETPLACE

A Juried Art and Craft Event
Sponsored in part by:
Indiana Arts Commission
Tippecanoe Arts Federation and the National Endowment
for the Arts

Come Join us for the Tipton County Pork Festival !

Th, Fri, Sat after Labor Day. September 5, 6, 7, 2019.

The **Arts and Crafts Marketplace** is a special area of the Festival where **(1) Exhibitors** show and sell their juried, original, handmade/homemade arts and crafts, the **(2) Tipton Art Show** with artists and photographers enter their paintings and photographs for judging and exhibition and the **(3) Community Stage** presents several local acts aimed to please. The Arts and Crafts Marketplace draws a large crowd of festival goers (with good weather estimated to be 90,000) from all over the State of Indiana and many return year after year to join in the fun.

DUE DATE: NO LATER THAN JUNE 1. We ask that each application be accompanied by your check and at least three (3) non-returnable photos to enable us to select the participants (unless you are a returning vendor). Don't Be Late! The sooner the better! Please return the attached application (keep a copy for your records). Once vendors are accepted and spaces filled, we will close entries.

There are only a limited number of spaces and we sell out every year. Returning vendors receive priority, but if you don't get your application in before June 1, you won't get in. Don't delay as you could lose your opportunity to be part of the festival! Each 12' wide by 10' deep booth space will rent for \$85 until June 1. The low cost is due to a generous grant received from the Indiana Arts Commission. If there are any spots left after June 1 (very unlikely), they will rent for \$150 per space.

We must see photographs of what you are selling. Please list all items on your application. If you are a returning vendor and no items have changed in your booth, there is no need to send pictures. **We will check your booth upon arrival and if there are items not listed on your application we will ask you to remove those items. This is a handmade and or homemade area and we will be checking for that.** Please don't apply if it is not handmade/homemade. There are other areas of the festival you should be in if they are not homemade/handmade.

Timeline:

1. Mail in Application, photos, proof of insurance and check so they will reach us **before June 1**. The sooner, the better your chances are.
2. You will **receive notification by postal mail** on whether you were accepted or not and the lot# that you have been assigned. Returning vendors receive priority.
3. If you have vehicles you need to have on the lot to help setup, you will need to **arrive on the Wednesday or Thursday before the festival** to setup. You can setup on Wed, 4pm - 9pm or Thursday from 8am – 3pm and **be ready to open at 4pm Thursday**. The closer to opening of the festival, the harder it is to get your items into the area as access gets tightened and some areas closed off.. Have your canopy and booth up and ready for business at 4 PM. If you want electric, **bring a 100 foot grounded electrical cord** (with multiple plug-ins on the end is helpful) with you. You cannot hook together several shorter ones (Fire Marshal Rules) to get to the electrical box hookup. We do not supply any items for your booth.
4. **Your booth must be open at all times** that the festival is open. Thursday 4pm -10pm, Friday 11am – 10pm, Saturday 10am - 10pm.

5. The festival closes on Saturday at 10pm and vehicles will once again be allowed on the lot for teardown.

Parking is not available for vendors on the Pizza King parking lot. There are rented spots close to the Arts and Crafts Marketplace (Dollar General and others) and you would need to check in with them OR you can park at the 4-H grounds and ride the shuttle back and forth. Port-a-pots are located at the rear of the Pizza King parking lot.

The Indiana Dept. of Revenue requires all vendors to have a retail merchants certificate and sales tax number before making any sales. Be sure to bring your number with you. Tax officials will be on hand to check you.

No camping permitted in your space. **No pets are allowed on Festival grounds.** Festival will provide **after- hours all night security** in the craft area. The festival reserves the right to select all exhibitors. Acceptance is based upon originality, quality, artistic ability, and availability of space.

We look forward to seeing you in Tipton in September.
