Hello! We're The Klein Family- a very close-knit family who loves Jesus, bluegrass music and one another! Put it all together and we've got a truly wonderful life. We are so excited about what we are doing through music by touching people's lives and making new friends that we want to share it with the world. We're really hopeful you read this letter. We're glad you're visiting our website and checking out our Press Kit. We hope you will consider giving us an opportunity. You'll hear the results of putting our hand in God's hand by listening to our music. You can click on our Audio Demo or request for us to send you a CD. If we meet in person, you'll feel how much we love making friends and blessing people any way we can. We are committed to bringing beautiful and powerful music into the world, the kind that makes you smile, dance, laugh, cry, think and feel. In our band are four absolutely amazing young musicians and their Mama. We want to tell you something special about each person in our family so that when you listen to our music, you'll feel like you're listening to friends you just met. Everyone sings multiple parts and plays multiple instruments as listed in our Biography. DeAnna has such powerful vocals someone commented they ate a granola bar while she held out a note. Feel free to try this at home! She also has been presented with amazing opportunities that she took the Lord and turned down because of her desire to stay with her family and fulfill God's calling. Shawn Luke plays the banjo so fast and well you'd never believe he overcame overwhelming odds of both physical and developmental challenges in his life. With a combination of God's miraculous healing and Shawn Luke's personal perseverance, he is a very accomplished musician and vocalist. Sylvia is a strong vocalist, instrumentalist and the one who most notices the needs of others. She noticed a veteran who couldn't stand up at a tribute and it inspired actions from her heart. She's very creative and thoughtful. Clara is absolutely overflowing with joy. She sings loud and strong and plays beautifully. She has confidence and faith that eludes many adults. Everywhere we go, people bless us and we hope to bless them in return. Mama gives her all for her family and plays and sings but Daddy works incredibly hard to provide and repair instruments, equipment and transportation as well as lots of love, support and encouragement. If you meet him, you'll see why everyone jumps into his arms all at once. We know this hasn't been a traditional cover letter but we wanted to connect with you and hopefully make a new friend! We really do love everyone. Thank you for your time and consideration and for everything you do for bluegrass music. May God bless you every day!

Your friends,
The Klein Family

Chris, Liberty, DeAnna, Shawn Luke, Sylvia and Clara
