Minutes from April 16, 2018 passed

Inspirational thought given by **Sara Zorich**: "There's a trick to the 'graceful exit.' It begins with the vision to recognize when a job, a life stage, or a relationship is over--and let it go. It means leaving what's over without denying its validity or its past importance to our lives. It involves a sense of future, a belief that every exit line is an entry, that we are moving up, rather than out."
-Ellen Goodman
