### **2-Man Best-Ball**

Clarification on how divisions and final positions were determined:

- 1. Divisions were determined by the average team handicap and broken as evenly as possible to create 3 divisions.**
- 2. Winning teams will be displayed in either the GROSS category OR the NET category in each division (not both).**
- 3. Final positions in each category were determined by the team's highest numerical finish, beginning with the lowest GROSS finisher in each division.**
- 4. Tie scores were broken by a scorecard playoff system, beginning with the #1 handicap hole, scores from teams who tied are compared until there is an outright winner (who is given the higher finish).**

**Including all cross-overs, there were a total of 56 teams.**

**Division I: (3.5 - 10.0 handicap) - 18 teams  
Division II: (10.5 - 13.5 handicap) - 19 teams  
Division III: (14 handicap & higher) - 19 teams**

**Total Teams Paid: 18 (6 per division / 33%)**

**Total Payout: \$2,700 / Men's Club Added: \$460**
