Meeting Saturday, January 15, 2022

Our first meeting of 2022 was held at the Public Safety Bldg. in Milwaukie last Saturday, January 15. There were approximately 16 members in attendance. The music circle was led by Fran Maddox with wonderful participation by all those playing. Some parts songs were also played.

It was decided to have various members take turns leading the music circle which includes choosing the songs. Usually we play about six pieces total. Graciously Jeff Nelson volunteered to lead for the February meeting (February 19). Thank you Jeff. Once he picks the songs, I will let the membership know.

After the music circle concluded there was time for visiting then the official meeting started at 1:30 pm. Items of business included information on the payment of club dues. Several have already paid but for those who haven't yet, below is the information from our new Treasurer, Sue Schwab.
