

## Feast of the Glorious Resurrection of Jesus Christ

The Mystery of Easter is the mystery of Jesus Christ, His Salutary Holy Blood shed for mankind and His Rising from the dead for mankind. The Son of God should incarnate, be subjected to tortures, be crucified, buried and the third day raise from death (Ps 15:9-11, 29:4, 40:11-13, 117:16-17, Ho 6:2-3). Following the crucifixion and death of Jesus Christ His body was taken off the

cross and placed into the tomb and the entrance to the tomb was closed by a large stone and the soldiers were ordered to control the entrance to the tomb. After three days the three women, who had followed Jesus from Galilee, Mary Magdalene, Mary, the Mother of James and Joseph, and the wife of Zebedee brought spices and perfumes to anoint the body of Jesus. They found the stone rolled away from the entrance to the tomb, so they went in but they didn't see the body of the Lord. They stood there puzzled about this, when suddenly two angels dressed in white appeared and said to them, "Why are you looking among the dead for one who is alive? He is not here, he has been raised" (Lk 24:5-6). The women returned from the tomb and told all these things to the eleven disciples and the rest. According to Peter more than 500 people saw Christ who had risen from the dead. So, this is the evangelical tiding of the fact of Easter or Holy Resurrection.

Resurrection of Christ became the basis of the Christian doctrine and faith. "If that is true, it means that Christ has been raised from death, then we have nothing to preach and you have nothing to believe" (1 Co 15:13-14).

Christ rose from the dead, by means of His Death He destroyed Death and granted eternal life. "I am the Resurrection and I am the Life. Whoever believes in me will live, even though he dies; and whoever lives and believes in me will never die" (Jn 11:25).

Christ died for the salvation of mankind and by His Blood took away the sin in the world, so that we should inherit eternal life.

On the day of the Easter feast people dye eggs red as a symbol of fruitful life, salvation and joy. St. Gregory of Nazianzen considers the egg to be the symbol of the world, the shell of which is the sky, the membrane is the air, the white is the water and the yolk is the earth. Dyeing eggs red symbolizes the salvation of the world by means of Blood of Christ.

The Armenian Church celebrates the Easter Feast on the first Sunday following the full moon of the vernal equinox, with 35 days moveability, during the period from March 21 –April 26.

The Armenian Church traditionally celebrates evening Divine Liturgy on the evening prior to Jesus Christ's Glorious Resurrection (Easter). Following the conclusion of the Liturgy, the assembled faithful take lit candles home, symbolizing the Light that Christ brought into the world. The Divine Liturgy celebrated on the eve is the start of the festive ceremonies.

### Pastoral thoughts

"You humbled yourself to ride on a colt for the sake of our salvation, with the children we praise: blessed is he who comes in the name of the Lord".

Dear faithful, these are words of Palm Sunday hymn. It is description about Jesus' Triumphal Entry into Jerusalem. When we read these words the thing that takes our attention is perfect humility.

"You humbled yourself to ride on a colt for the sake of our salvation". Jesus call's us to be perfect in humility. He went to the people and preached them with the life example. Our Lord's humility is not reflected only in this part of His earth life. Initially His birth, Baptism, the washing of His disciples feet and so on were the best preaching for humankind about humility. He even humbly forgave them who crucified Him by saying "Father forgive them; for they do not know what they are doing". (Luke 23:34)

As we see our Lord Jesus Christ started with the same humility and finished his earth life in the same humble and virtue service towards God's people. If we pay attention before Jesus entered into Jerusalem He talked about children. One day disciples came to Jesus and asked. "Who is the greatest in the kingdom of heaven?" Jesus called a child and said "truly I tell you, unless you change and become like children, you will never enter the kingdom of heaven. Whoever becomes humble like this child is the greatest in the kingdom of heaven. Whoever welcomes one such child in my name welcomes me". (Matt. 18:1-5)

These same children were singing "Hosanna to the Son of David! Blessed is the one who comes in the name of the Lord! Hosanna in the highest heaven!"

For us, children are really life examples of perfect humility. We think that we take care of them, but they are always under God's protection. They enjoy God's care due to their clear, honest soul. Referring to Jesus words we should consider, that daily communication with kids is a communication with heavenly cleanness. Every next minute they really can return us to the divine feelings, to divine environment from evil thoughts and deeds. Considering this fact, His Holiness Karekin the Second Catholicos announced Palm Sunday as a day of Blessing of Children.

Dear parishioners, we would like to see our St. Mary church full with children's divine presence. This is very good chance for me to encourage all of our parishioners to find time and come to the church with their children.

Bringing them to church you will give them opportunity to enjoy divine pleasures which is part of their sinless nature.

So coming Palm Sunday we will have Blessing of Children service after Divine Liturgy. Bring them to church and let us bless them and enjoy their divine presence.

With Love of Christ,  
Rev. Fr. Zaven Markosyan

## POON PAREGENTAN GOOD LIVING SUNDAY 2016

This year's Poon Paregentan dinner, kef and raffle night was held on Saturday, February 6th. The Majarian Hall was beautifully decorated in a festive theme. Young and old ate, danced and had a great time socializing together for a time of "good living".

The event began with an all-you-can eat spaghetti and meatball dinner complete with salad, bread, and a dessert table.

Our two Armenian foreign exchange students from El Diamante High School in Visalia and Dinuba High School got the evening going by dancing and singing the Armenian National Anthem joined by Father Zaven. The girls were joined by members of their host families who joined in with the festivities during the evening.

Richard, Armen and Andrew Hagopian played traditional Armenian dance music as the evening progressed. Our community is so fortunate to have such talent among our members.

Throughout the evening, Jim Soxman the chair of the Ways and Means Committee, drew raffle tickets for cash and wine prizes. A 50-50 drawing was also held at the conclusion of the evening. Judy Skaff was the winner of that drawing.
