- CAD's Academy Innovation Award

FACTE Outstanding New Career and Technical Teacher ROOKIE AWARD

Purpose

This award is meant to encourage new teachers to remain in the profession. Recipients of this award must have made significant contributions toward innovative, unique and novel programs and have shown a professional commitment early in their careers.

Eligibility

Individuals who are currently employed as full-time classroom/laboratory teachers in a career and technical education program other than at the baccalaureate level are eligible for this award. Nominees must have taught for a minimum of three but no more than five years (Applicants may be in their sixth year of teaching at the time of application). Age is not a determining factor. (Candidates must be new to the teaching profession, not just new to career and technical education.)

The nominee also should have been involved in some capacity in Florida Association for Career and Technical Education activities at the local and/or state level and must have been a member of FACTE for at least the past three consecutive years.

Criteria:

Applications must be submitted by May 1, 2018.

FACTE OFFICE
1220 N. Paul Russell Rd.
Tallahassee, FL 32301

Each nominee shall submit a **nomination dossier** consisting of the following:

1. Form B-1 - page 1
2. A description of the applicant's position and significant accomplishments for career and technical education of no more than two pages should be pages 2-3 of the nomination dossier.
3. Support information becomes pages 4-7. This should be no more than one page each in four sections, as follows:
 - o (page 5) Section A — Professional Memberships and Activities (must include dates of service).
 - o (page 6) Section B — Professional Contributions (may include presentations and publications).
 - o (page 7) Section C — Education and Experience Background (to include educational preparation and work experience; should include dates of service for work experience).
 - o (page 8) Section D — Civic and Community Involvement (to include civic, fraternal and/or honorary memberships and community activities or contributions).
 - o Letters of support, limited to a maximum of six, should be pages 8-10 of the nomination dossier. Letters should be one page in length. These letters should come from the following individuals:
 - (page 8) The nominee's immediate supervisor.
 - (page 9) A colleague or former student.
 - (page 10) A community, Industry, or Business person.

Applicants should submit information written in the 3rd person context rather than the 1st. Events should be dated and listed with the most recent submitted first.

State winning applications that are forwarded for Regional or National consideration will require additional information as well as a video taped segment.

FACTE Outstanding Teacher in Community Service

Purpose

The purpose of this award is to recognize teachers with significant accomplishments and outstanding leadership in programs and activities that promote community involvement.

Recipients of this award must have made significant contributions toward training, motivating, and inspiring their peers and students to become involved in programs and projects that benefit their communities.

Eligibility

Individual members who are currently employed as full-time classroom/laboratory teachers in a career and technical education program are eligible recipients for this award. Nominees must be classroom/laboratory teachers at the time of nomination and winner must be a classroom/laboratory teacher at the time of award presentation. Contributions and achievements on which the nomination is based should have been made within the past five years. The nominee also should have been involved in some capacity in Florida Association for Career and Technical Education activities at the state, regional and/or national level and must have been a member of FACTE for at least the past three consecutive years.

Criteria:

Joe Mills/Carl Perkins Humanitarian Award

Purpose

To recognize individuals who have made outstanding meritorious contributions of state or national significance to the improvement, promotion, development and progress of career and technical education. This award was established in 1985 in honor of the late Rep. Carl Perkins and is designed to recognize individuals who have demonstrated the same humanitarian concerns exemplified by Rep. Perkins.

The award will be presented to individuals whose careers have been marked by actions that have enabled career and technical education programs to respond more fully to the individual needs of people for assistance in achieving more productive lives. This award, FACTE's highest award, will be given only to individuals whose contributions have been of state or national significance. Only under unusual circumstances will more than one award be presented in any one year.

Eligibility

This award may be presented to persons either in or outside the field of career and technical education. The individual may be a member of Congress, educator, farm leader, business person, labor leader, leader for the improvement of home and family living or any other person who has rendered outstanding service to career and technical education. This includes career and technical educators who, through exemplary service, have improved career and technical education.

Criteria:

Applications must be submitted by May 1, 2018.

FACTE OFFICE
1220 N. Paul Russell Rd.
