Downtown Chippewa Falls is making a major contribution to the bottom line of our city and serves as the engine for the local economy. However, downtown is much more than a profit center. Chippewa Falls downtown represents the image and character of our city to the rest of the world. Our downtown is unique in that we are the only neighborhood that belongs to and is shared by everyone.

We are asking for your continued **INVESTMENT** in Chippewa Falls as we plan for 2020!
