Mother's Day is a celebration honoring the mother of the family, as well as female individuals with maternal bonds, and the influence of mothers in society. It is celebrated on different days in many parts of the world, most commonly in the months of March or May. It complements similar celebrations, honoring family members, such as Father's Day, Sibling Day, and Grandparents' Day.

**PRAYER REQUESTS**

- Sandy Parmer asked that we keep the following people in our prayers: Erik and Ashley Brown, and Jim Smith, Kailyn, who is Sandy's 16 year old granddaughter as she struggles with life challenges. Linda Raymond is receiving chemo therapy for inflammation as a result of COVID. John, Sandy's friend in Illinois is starting chemo for cancer. Phyllis Bryant pancreatic cancer is in remission. Shirley Linne treatment for eye disease. Harold Parmer has Parkinson and kidney problems.
- Mindy Scaffie is slowly adjusting to her new medication. She tries to keep us up to date on how she is feeling, offers us some words of inspiration and an occasional recipe on her Facebook page.
- Darlene Queen tires easily and has trouble maintaining her balance. Jerry says she has some good days.
- Darlene's daughter, Tabitha Sutton is still needing a heart transplant.
- Jeanne Horton has finished her second round of chemotherapy. Her husband recently found out his cancer has returned. They found spots on his vertebrae and lungs.
- Jim Sexton, minister of the Cherokee congregation is still battling stage 4 cancer, he has moved with his wife to northern Mississippi.
- Sheilah Queen requests prayers for her husband Johnnie and herself. She is doing what she can to avoid having a shunt placed to remove the toxins not being removed by her kidney.
- Richard Hicks, the brother of Norma Leiby, has requested prayers as he goes through chemotherapy.

- Cheri Meaders, of Blairsville, friend of the Stephensons is in hospice.
- Ute Chewning's great-granddaughter, Aria Lopez, had a successful liver transplant last year. She has been released from the hospital but will need to be on medication for the rest of life.
- The Goodlet's ask that we pray for their son Andrew's safety because of the potential dangers involved in his special assignments in law enforcement.
- Roy Stephenson is recuperating at home for a foot infection. He has been scheduled for arthroscopic knee surgery June 15<sup>th</sup> at Northside Cherokee Hospital in Canton, Georgia.
- Glenda Kirby' asked for prayers for Tammy Berrong whose daughter died recently. Her grandchildren are having a hard time adjusting.

**You or family member or friend may not be on this list but, we are all in need of prayer.** Pray for all victims of violence which seems to be increasing. The pandemic and flu season has taken and continues to take its toll on many and depression, homicides and suicides are increasing as well. Take time to check on your neighbors!

### REACH of Cherokee and Graham County, Inc.

is an outreach program for victims of domestic violence.

**Staff are requesting Clorox swipes, cleaning supplies and laundry detergent for the Safe House.**

As the staff travel to the schools to discuss domestic violence, they have identified a need for children's underwear and socks of varying sizes. They have also adopted some families to help as well. If you have items of clothing (clean and in good condition), children's books, etc. to donate please place them in the blue bin located in the pantry. Check out the clearance section at Walmart next time you go shopping.

Stacy can always use some **small tote bags** and small travel size items to fill them with, e.g. travel size shampoo and conditioner, toothbrushes, tooth paste, travel size deodorant, hand sanitizer, etc. She is having difficulty finding small bottles of hand sanitizer so next time you go shopping pick up a few extra bottles..

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also ask for cooking utensils to help them start over. So, if you have something you no longer want, they could use it. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet. They also can use items to help with their

self-esteem and pass the time until they can be placed in a safe environment. You can provide puzzles (500 pieces or less), adult coloring books, reading material, make-up, nail polish, hair clips, etc.

Volunteers and donors are always needed. Call the office at 828-837-2097 or 828-837-8064 for more information. Local REACH covers Cherokee and Graham County.

### New Favorite Song

#### Amazing Grace (My Chains Are Gone)

Verse 1

Amazing grace how sweet the sound  
That saved a wretch like me  
I once was lost but now I'm found  
Was blind but now I see.

Verse 2

'Twas grace that taught my heart to fear  
And grace my fears relieved  
How precious did that grace appear  
The hour I first believed,

#### Chorus

My chains are gone I've been set free  
My God my Savior has ransomed me  
And like a flood His mercy rains  
Unending love amazing grace.

Verse 3

The Lord has promised good to me  
His word my hope secures  
He will my shield and portion be  
As long as life endures.

Verse 4

The earth shall soon dissolve like snow  
The sun forbear to shine  
But God who called me here below  
Will be forever mine  
Will be forever mine  
You are forever mine.

## May 14<sup>th</sup> Mother's Day Flowers

Carnations have traditionally been the official flowers of Mother's Day for many years, with each color having a different meaning. It's said that pink carnations symbolize gratitude and love, while red signifies admiration. Adding a white carnation into your Mother's Day bouquet represents the remembrance of generations before you who have sadly passed on.

If gratitude and joy are the meanings you want to show your mother this Mother's Day, then a pink rose is the perfect token to give. The yellow rose is a flower to give to those who may not be your mother but act and care for you just like a mother would, with friendship and caring as their symbol.

### Upcoming dates and events

### Navajo Code Talkers

It was one of the best kept secrets of World War II. For over 23 years their special mission retained a "top secret" classification. They are the Navajo Code Talkers. The Navajo made an invaluable contribution to the War through the development of the Navajo language as a secret code that proved indecipherable to the enemy. Major Howard M. Connor, communications officer for the Fifth Marine Division commented, "Without the Navajos, the Marines could never have taken Iwo Jima". We salute their remarkable achievement.
